SUSAN BLOOM, RETIRING WORTHY ADVISER; Juanita Gillum, Worthy Adviser, and Mrs. Donald Gibbs, Mother Adviser of the Antioch Assembly of the Order of Rainbow for Girls.

Youth Drowns In Fox River

William F. Burnham, 16, Chicago, drowned Sunday, May 24, in the Fox River at Happy Acres Ranch on Route 173 west of Channel Lake.

The Antioch Rescue Squad was called and recovered the body quickly, but the youth was dead.

Burnham had been camping at Happy Acres Ranch since Friday night with his family. He and some young friends had been swimming in the river when he cried out for help, according to friends.

According to Ruth (Mrs. Ed) Krupo, who with her husband owns and operates Happy Acres Ranch, the sensational stories of crowds of people standing on the bank and refusing to aid the drowning youth were untrue.

"Bill (Moose) Mow, of Joliet, a 16 year old boy, tried to reach the boy," Ruth said. "Moose can't swim. He waded in up to his neck, with all his clothes on, and could just reach the boy's hair. He got his hands on it for a moment, but it slipped from his hands."

"I wasn't there until after he'd gone under water," Ruth said, "but from what I've been told, and what I could see, neither was anyone else except perhaps his family and the teen-age boys swimming with him. The family was camped off by themselves, and that's where the boys were swimming. Of course, when the screaming and cries for help kept up, people came running from all over, but he'd already gone under. There were no boats available, and no one in swimming suits. You know," Mrs. Krupo said, "You have to be a pretty good swimmer to rescue a struggling drowning person in that river. There's a strong current."

Window of Shop Broken In Fight

The window of Marie Anne's Dress Shop on Main street in Antioch was broken last Wednesday night about 8 p.m. when two 16-year-old boys, fighting, fell through it.

Gordon Pierce, 18, Rt. 1, Box 289, Antioch, and Louis Megileo, 16, 1914 Sprucewood Lane, Lindenhurst, started fighting over a remark made by one of them about a girl, according to the story they told Police Chief Walter Scott.

During the fight, both fell or were pushed through the plate glass window. Young Pierce was cut on the hand and his knee was skinned when he fell on the curb. Young Megileo required seven stitches to close a cut on his left arm.

The young men were turned over to their parents, and a copy of the report sent to the State's attorney's office. Chief Scott said young Megileo was hospitalized Monday when infection developed in the cut arm.

The window was insured, and the parents of the boys paid a bill for damages to merchandise from Marie Anne's.

BREAKS ARM IN FALL

Mrs. Clara Westlake, 483 Lake St., Antioch, broke her arm last week in a fall at her home. She is improving at home.

Pool Opens Saturday

The season at the Lions Antioch Aqua Center will open as usual on Memorial Day this year and go through Labor Day.

Pool managers advise swimming enthusiasts to purchase pool memberships early and avoid the last-minute rush. They may be bought at the First National Bank of Antioch, The State Bank of Antioch, or the Antioch Savings & Loan Association.

Swimming lessons will again be in charge of Mrs. Charlotte Queen. She will sign up students at the Jaycees' Information Center on the corner of Lake and Main on June week-ends.

Jim Corrigan is pool manager and Mrs. Winnie Sorensen will supervise the life guards.

Henke Seeks Tri-County Committee

Although they were against formation of a Conservancy District, many of those who openly expressed their opposition hope that at least a partial solution to the pollution problem will result from the interest aroused in the matter.

Kenneth Henke, chairman of the Lake County Board of Supervisors, has extended an invitation to the McHenry County Board of Supervisors to join Lake and Kenosha counties in forming a Tri-County co-ordinating committee for the purpose of discussing and reviewing problems that are inter-county in nature.

A preliminary meeting of representatives of the three counties will be held Thursday, June 4, at Wilmet, Wisconsin, to discuss the possibility of forming such a group. Kenosha County will be represented at the meeting by Jacob Kannerzolt, chairman of Pleasant Prairie township; McHenry County by Walter Dean, George Janok, Wauconda, Board Chairman, and Ted Stern, Nunda Township, and Lake County by Clarence Voras, Elia Township chairman and chairman of the zoning committee, and by Kenneth Henke. John Morris, Lake County Public Works department, will also be present to assist with information.

Lake and Kenosha Counties have cooperated for some time in discussions co-ordinating their planning in such areas as highways, zoning, flood control, and air and water pollution. By discussing plans ahead of time, Mr. Morris pointed out, each county avoids such mistakes as roads that "go nowhere" when they reach county lines; zoning for exclusive residential districts, with an adjacent county establishing a factory section next door, and similar errors.

High Schooler In Hospital After Fall

Lon Eckert, son of Mr. and Mrs. Gus Eckert, Lake Villa, is in Condell Memorial Hospital suffering from a fractured skull after a fall at a gas station where he worked Sunday night.

Lon worked at the Bulk Service Station on the corner of Routes 21 and 83. He reportedly slipped and fell, striking his head. He was taken to the hospital by the Lake Villa police.

MEMORIAL DAY SERVICES AT ST. PETER'S CHURCH

Father Alfred J. Henderson has announced that on Saturday, May 30, Memorial Day, there will be Memorial Mass and sermon in St. Peter's Catholic Church at 10:30 a.m. for those buried in the parish cemetery.

Immediately after the mass the parishioners and priests will go to the cemetery for a memorial service.

Commencement Exercises To Be Held Tuesday, June 2nd

Ceremonies for Antioch Community High School's 165 graduates will start at 8 p.m. Sunday, May 31, with baccalaureate services in the High School auditorium.

Commencement ceremonies will be at 8 p.m. Tuesday, June 2. The graduation exercises will be held outdoors, if possible, on the old football field. If it rains, they will be held in the gym at the high school.

School Board To Work With C.D. Director

John Dupre, Civil Defense Director, met with the Board of Education last Wednesday night to discuss requirements for bringing the area proposed for a fallout shelter at the High School up to requirements. Superintendent Albert L. Dittman announced that the board approved suggestions to stock the tunnel with foodstuffs, medical supplies, etc., post it, and meet other requirements.

The area is the tunnel under the new portion of the building which houses heating and ventilating equipment. It will hold 500 people.

Jedele & Cain, accountants, were again awarded a contract to handle the school accounting for the '64-'65 school year.

Antioch Grade School, Grass Lake School, Channel Lake School and Antioch Community High School joined in appointing Helen Nelson school treasurer. Contract for the bond for Mrs. Nelson was awarded to Ross Merritt of Kemper Insurance Co. on a bid of \$811.95.

Bids were opened on installing of acoustic plaster in the ceiling of two rooms. The contract was awarded to Jerry Rockow on a bid of \$510.00.

Because of the growth of the Driver Training department, the board is securing the use of an additional car from John Teresi Chevrolet. A contract for student accident insurance was awarded to John Romer of Loren Sexauer Insurance Agency at a cost of \$2.75 per pupil and \$18.00 for football players.

The board O. K'd the continuance of a transportation agreement with Emmons and Channel Lake Grade Schools, if they wish to renew it.

Mrs. Alice Tresek, Lake Villa, was hired to replace Mrs. Moorman as secretary.

Krebiozen Film To Be Shown

Senator Douglas, who has taken an active part in the Krebiozen controversy, has announced the date that a television film dealing with the subject will be shown locally.

The film will be on WGN-TV, Chicago, from 8:30 to 9:30 p.m. on Saturday, May 30.

The film, "Krebiozen and Cancer - Thirteen Years of Bitter Conflict," will be shown on 80 to 90 stations in the United States in the period from May 24 to June 3. The film shows both sides of the controversy, and was produced by Wolper Productions, Inc.

Sch. Douglas has taken the position that the drug should receive a fair test under scientific conditions on cancer patients who volunteer. His reason for this position are the standing of Dr. Andrew Ivy, chief scientific sponsor of the drug. Dr. Ivy was vice president of the University of Illinois and was in charge of the medical school. He has published hundreds of scientific articles, set up the research facilities at Bethesda Naval Hospital in Washington, D. C., and is one of the most eminent pathologists in the United States.

Conservancy District Defeated 5 To One

Lake and McHenry County voters voiced a resounding "No" to the proposition to establish a River Conservancy District last Saturday (May 23).

Both opponents and proponents of the measure were surprised at its crushing 2 to 1 defeat in McHenry County. Both those "for" and "against" the measure had felt that the vote would be heavily favorable in McHenry County.

The most heavily favorable vote was cast at the McHenry City Hall, in McHenry precinct 2, where there were 957 votes "yes" on the conservancy district and 1,346 "no." Even here, it was defeated.

The portion of Lake County included in the district cast 3,726 votes, of which 147 ballots were spoiled, 160 voted "yes" and 3,419 voted "no."

Memorial Day Program To Be Saturday Morning

Antioch's Memorial Day Parade will start at 10:30 a.m. Saturday, May 30, and conclude with ceremonies at the Village Park on Orchard St.

The parade and ceremonies will be under the joint auspices of the Antioch VFW and the American Legion Post No. 748.

Assembly time for the parade will be 10 a.m. at the Antioch High School parking lot. The parade will move north on Main St. to Orchard St.

Albert L. Dittman, superintendent of Antioch High school, will be the main speaker at the ceremonies.

Clifton Houghton, Principal of the Oakland Grade school, will be master of ceremonies. The raising of the flag will be performed by members of the Antioch Fire Department. There will be a musical selection by the Antioch High School Band.

A wreath will be placed by Gold Star Mothers. The invocation will be given by the Rev. Andrew Cobb of the Methodist Church; the Benediction by the Rev. Bledorne of St. Scholastica.

Tops will be played by George Olsar and his son.

Trained Horses Strut Their Stuff For Hospital Benefit

Two hundred show horses will be put through their paces for the edification of the audience at the Countryside Hospital Charity Hospital Charity Horse Show on Saturday and Sunday, May 30 and 31.

Among the feature attractions will be a fast-stepping combination of teamwork and skill by the Victor Comptometer Corporation's six-pony hitch.

The matched Shetlands perform precision maneuvers while pulling a miniature fire engine. With the fire engine belching smoke and clanging its bell, the dapper animals scamper through cloverleafs and figure eight patterns.

There will be four shows this weekend, with proceeds going to the fund to help build Countryside Hospital. Prize money to winning entries comes from entry fees paid by horse owners.

"No," Julia Chonis, one of the leaders of the opposition, voiced surprise at the number of spoiled ballots in all precincts. Many voters, she said, spoiled their ballots by trying to make their "no" more emphatic, such as marking the X properly in the "No" box, then writing "Definitely no" in the "Yes" box.

Precinct 7 in Lake County, Wauconda - Fremont, voting at the Volo Public School, cast 130 no votes and 0 yes votes. Burton Township in McHenry County, voting at the Spring Grove Fire Station, had one lone yes vote to 246 noes.

Lake County's precinct 1, voting at Channel Lake School, cast 500 no votes, 9 yes; precinct 2, voting at Grass Lake School, had 296 no votes, 13 yes; precinct No. 3, voting at Gavin School North, had 523 no votes, 15 yes; precinct No. 4, voting at Grant Township Hall, had 1,082 no votes, 64 yes; precinct No. 5, voting at Fox Lake Fire Station, had 504 no votes, 65 yes; precinct No. 6, voting at the Round Lake Heights village hall, had 395 no votes, 4 yes; precinct No. 7, voting at Volo School, had 130 no, no yeses.

In McHenry County, a total of 3,307 votes were cast, 103 ballots were spoiled, 1,040 voted Yes, 2,164 voted No. At Richmond Memorial Hall, 11 voted Yes to 339 No; at Wonder Lake Fire House, 71 voted Yes, 233 No.

A total of 7,033 votes were cast in both counties, with 250 spoiled ballots, 1,200 Yes and 5,853 No.

Julia Chonis announced Monday that a group which had worked to oppose formation of the district had decided to attempt to form a bi-county citizen's committee to work on problems of pollution of the Fox River. "We hope some of the people of McHenry County will work with us to try to combat these problems," Mrs. Chonis said. "Cooperation between the counties is necessary if any real headway is to be made. In the past I have felt that as I was doing my duty as a citizen by giving as much time as I have to our local problems, but as long as these problems are unsolved, no one is giving enough of their time."

Former Pupils To Gather

Hickory School, the last of the one-room schools in Lake County, will close its doors permanently when the 1963-64 school year closes this week. From now on, students from the district will attend Antioch Grade School.

In memory of the many years the school has served the community the Board of Directors has arranged a picnic to be held on Sunday, June 7, from 2 to 5 p.m. All graduates of the school and their families are invited to the get-together. Mrs. Eva Edwards Allen, 122 N. Jackson St., Waukegan, is preparing a School History which will be read at about 3 p.m. of that day.

The little school has served at least three generations of some of the families in the district. Mrs. Helen Nelson says, "I recall back in the 20's when Anna Drom Nielsen was the teacher, with some 40 to 45 youngsters trying to learn Reading, Writing and Arithmetic. With all eight grades in session in this one-room school, we were all but sitting on the teacher's desk, but Miss Drom handled the job ably. She taught at Hickory perhaps the longest of any one teacher. In 1919, her pay was \$74.00 a month."

Mrs. Daisy Ellsworth is the present teacher and has 18 students in seven grades. The eighth grade attended Oakland Grade school this year.

Here are the names of the teachers who have taught the children of Hickory School through the years. Each one will be remembered by some of the former pupils who will attend the past picnic at the school.

Gonevieve Webb, Lydia Knowlton, Baggie Barber, William Allen, E. M. Ruinard, A. G. Spafford, Lelah Webb, Belle Brewer Cremin, Anna Drom Nielsen, Hazel Tiffany Sibley, Gladys Ames McCarthy, Nettie Christopherson Edwards, Harriet LaCrosse, Ella McCredie, Eileen Osmond Lewin, Wanda Lain Barthel, Ruth Baethke, Vera Raney Smith, Marjorie Gier Leable, Jane Lux, Miss Wynn, and of course, Mrs. Ellsworth.

The present Board of Directors consists of:

A GROUP OF ANTIOCH HIGH SCHOOL SENIORS and chaperones left last Saturday on a bus trip to New York and Washington, D. C. The seniors raised the money themselves through various activities to finance the trip.

(Continued on Page 3)

A Time To Remember

Memorial Day, 1964 — a time to remember and pay tribute to the thousands of young men who have given their lives to defend the freedom and ideals of America. And, in doing so, to pay tribute to the mother and wives, the families, who miss these men. In paying tribute to their memories, to bring a little comfort to those who remember the young men who gave up years of living so that thousands of people they'd never seen could continue to live in a free and decent world.

At times, it seems as though the nation has forgotten the ideals for which so many men suffered and died. Years pass, and the millions of people who enjoy the fruits of the sacrifice seem to forget the men who died for them. They're too busy enjoying the sunshine, their personal pleasures, the precious hours of living, to take an hour on Memorial Day to pay tribute to the dead soldiers who gave up those happy hours that we might have them.

For all their seeming selfishness, though, Americans have not forgotten their war dead. In small and large towns all over the nation this Saturday, parades and services will honor America's soldiers. Some years, attendance may dwindle, but a small nucleus of the faithful keep memory alive, and hope that another year more people will join them in tribute.

Courthouse Notebook

BY LOU DURKIN

It has been suggested recently that the occupant of this corner is on the payroll of State Rep. W. J. Murphy because of our preoccupation with the planned purge of certain legislators including the Antioch representative during the June 1 legislative nominating convention.

To set the record straight we are not and never have been on Rep. Murphy's personal payroll as campaign publicist or campaign manager or in any other capacity. During the special session of the Illinois General Assembly last winter he offered the temporary post of "Administrative Assistant to the House Majority Leader." We accepted because it offered a unique opportunity to attend the session and obtain first hand information on the special legislation being passed to implement the unprecedented at-large election of State Representatives which became necessary when Gov. Kerner vetoed the re-map bill passed by the legislature.

As for being pre-occupied with the subject we feel it is important enough to warrant more than passing mention because of the principles involved as much as the principals.

The main objection to the purge effort is the circumventing of the wishes of the people of Lake County as expressed at the polls on April 14.

Murphy went to the people of the district in the primary and said he expected to be a candidate in November if elected a delegate and that he would not be a candidate if he was not elected as a delegate to the convention.

That was the period of the advocates of a new image for the Republican Party should have made their effort. It seems to us that the people of Lake County elected Rep. Murphy as their representative not as a delegate to a convention in which their

voices would be silenced by a power play engineered by a group who will not even be eligible to take part in the convention.

The second principal involved concerns the separation of powers among the three branches of the state government.

If we are to permit an elected member of the Executive branch, a county level official, and a person who has been nominated but not elected, to select the members of the legislature we might as well dispense with the Illinois General Assembly by the sham of elections.

We just don't happen to believe that you have to wear a Brooks Brothers suit, boast a Gold Coast address and be the executive of a candy company, bank, or camera company in order to select the people you want to represent you in the legislative branch of government.

It would seem that the battle against the theory of "government by the elite" has not yet been won.

We are proud to see that Rep. Murphy is not giving up without a fight even though the cards are stacked against him.

In a television Forum Sunday he fought back against those who would purge him, including State Rep. Albert Machmeister who has been a prime mover in the pogrom even though he did not stand for election as a delegate, but will ride in on somebody else's vote.

We are happy to see that Rep. Murphy's friends in Lake County are continuing their letter campaign and are circulating petitions in his behalf despite the many signs that anything favorable to the House Majority Leader will not be allowed to reach the floor of the convention.

In a less controversial vein

Along The Way

with ANNIE MAE

On this Memorial Day as most of us recall a friend or loved one who gave his life so that we may remain a free country, let us pause a moment and think what that loved one would say if he knew how lightly we seem to take that sacrifice. Imagine if you will the very horror it would bring to them to read any of today's headlines: "Race Riots Kill Three," "Girl Murdered in View of Twenty," "Seven Die in Flaming Highway Crash." As we bow our heads this Saturday for just a moment, let us dedicate these famous words, "that they shall not have died in vain."

NOTES TO YOU: Most we could find out about the landbuyer who seems to be acquiring large pieces of land around Rte. 45, is that he is a steel magnate who is very interested in the Sport of Kings. Keep watching! Either Joe and Marilyn Stern are having a large party or they're the "cocktail" couple in town, what with that large Salerno truck parked in front of their abode last week. Fred Walpole and Ed Jacobs are casting their lines out for the big ones (fish of course), up in the North country... and they're bound to find them, according to the stories Tony Stanish tells us about the ones that got away!

THE LATEST REPORT: With the A&P lease signed, sealed and delivered into the hands of the developers, the number one question in every mind is "Who'll move in when they move out?" Mum seems to be the word, but it's my guess that there will be a "Johnny on the Spot!" Dr. Ben Berke's son is filling up holes too, but he does his on the golf links, and in one shot too! Congrats from a jealous golf addict! Hey! Hey!! Who'd ever think that Louie Nielsen would name his new bistro after me, The Chatterbox...

THE LAST DROP: Pres Reckers and Dr. Jim Kopriva are the ones responsible for that Antioch Rescue Squad emblem at the bottom of the pool... Ruby and Cleo Vos are fighting a rare type of garden destroyer. Seems that daughter Sue adopted a baby lamb, and said Lamb has a ravenous appetite for anything that blooms! Jack Fields has dreamed of becoming a gentleman farmer for some time now, and so brother Jim presented him with his first livestock the other nite. Only trouble is, no farm yet!! Oh well, Sara, what's good for the goose is good for the gander.

DID YOU HEAR? The definition of an Umpire? A retired baseball player whose eyesight began to fail him. Strike one.

Annie Mae

Doctors Advise Measles Vaccine

Local doctors are advising parents to have their children receive the measles vaccine.

The old-fashioned red measles (Rubella) is not serious in itself, say the doctors, but the resulting complications are pneumonia, middle ear infection, and the dreaded encephalitis.

The vaccine consists of two injections, one in each arm. The first is an injection of the measles virus to give the child the measles; the second is immune globulin to make it a light case.

After 5 or 12 days, the child may or may not run a fever and have a slight to moderate measles rash. During this period, they do not act ill, and they are not contagious.

It is felt that this vaccination will probably give a lifetime immunity to the "hard" measles.

We would like to welcome back Danny Daniels, a long-time favorite among Lake County's leading night spots before moving to Florida where he was featured for several years in the cocktail lounge at the Tampa International Airport, is now giving out with old and new favorites at Gil McCormick's in Lake Bluff.

And another long-time favorite now plying his piano trade at the Adria Restaurant is Al Morgan, whose recording of Jealous Heart several years ago put him up among the top record sellers in the business back when music was still important to record companies.

Letters to the Editor

We have printed only a small portion of the following letter, due to its extreme length. We're sorry we could not print the whole letter, nor comply with Mr. Anzinger's request to reprint Mr. Smith's letter.

May 18, 1964

Editor
Antioch News
Antioch, Illinois
Dear Sirs:

I submit this letter in answer to Albert A. Smith's "Do Something About It Committee" for Moral Safety's request that citizens stand up and be counted, which you printed in the May 7th paper.

I will now attempt to answer Mr. Smith's letter.

In order to talk rationally about obscenity, we must first define it. From Mr. Smith's quote of the 1957 Supreme Court ruling—"Obscenity, being utterly without redeeming social importance, is not within the area of constitutionally protected speech or press"—we may reasonably conclude that obscenity has the quality of being utterly without redeeming social importance. The important word here is "utterly," which means, according to Mr. Webster, complete or total. This then says obscenity is completely without social importance so for anything to be condemned as obscene it must not contain even one sentence that is of social importance. Mr. Smith also used the term "trash" so it should be defined. Webster defines trash as, "a person or thing or class, or persons or things condemned as worthless." Therefore when Mr. Smith says, that trash is available at many stores and newsstands, I have to assume that he means that books, magazines, etc., condemned as worthless are available at these places.

Now I ask, who has condemned these books, magazines, etc.? Who has said that they are obscene or contain not even one sentence of social importance? Who has set himself up so high that he can call another man's work worthless and not only get away with it but also get backers who attempt to force the public to accept his doctrine?

I ask now, if the merchants in question are in truth breaking the state obscenity law, why, as a citizen who wants to stand up and be counted, Mr. Smith hasn't sworn out a complaint and let the law take its course?

Mr. Smith asks, "Must our children learn of sex, perversion and sadism from cheap books on the newsstands?" Yes! Another question might be, "Must our children learn of sex, perversion and sadism?" Again the answer is yes! They must learn to become well informed, well adjusted, rational adults.

At this point Mr. Smith may ask, "But must they learn about it from the cheap books on the newsstands?" Here again the answer is yes. Who else is going to teach them? "Their parents," you say, and I say, "Yes, but do they?" No! Why they don't is not the issue here.

Mr. Smith said, and I quote, "According to many prominent psychotherapists, police chiefs, and juvenile authorities there is a direct relationship between the stimulus of obscene publications and criminal behavior, both adult and juvenile." I say to Mr. Smith that this is also true about almost anything in our society.

Mr. Smith then says, "Protect your children, protect your loved ones from these books and the people who might be stimulated to commit a crime after reading any book, obscene or not, or after kissing his wife or after doing the laundry, or after doing anything, and from those who would inhibit our choice of reading material. Protect them from the books?" This is up to each individual or in the case of juveniles to their parents.

I don't pretend to know what is good for the next man so I don't try to force my ideas on them. Mr. Smith says his group is not a censoring body. I contend that the only thing that keeps his

body from being a censoring body is that a censor has the power to suppress anything he finds objectionable and the "Do Something About It Committee" for Moral Safety hasn't got that power—yet.

To Mr. Smith and his committee I say, "If you find the books objectionable just use a little will power and don't look at them. And if your children are reading these books and you don't think they should, don't let them. If you can't do this I would say you need help, not me! As for the rest of the population, let them decide what they want to read by themselves, or, if you will, get on your knees and beg them not to read what you would not have them read, but don't ask merchants to stop selling them and don't try to infringe on my God-given right to buy and read what I want to read or to let my children read what I think it is proper for them to read!"

Editor
Antioch News
928 Main St.
Antioch, Illinois
Dear Sir:

I am writing this letter to congratulate the Antioch News for the excellent coverage which it gave to the events surrounding the recent River Conservancy District referendum.

The news stories carried by the paper, I am certain, did much to develop a public awareness of the issues involved. I am particularly appreciative of the editorial which encouraged the Antioch area residents to vote on the conservancy issue and which also reminded them that failure to vote in effect constituted a vote for their opponents' position.

Very truly yours,
John G. Morris
Superintendent
Lake County Public Works Department

SPOONERISMS

Unintentional word reversals called spoonerisms are named after Rev. W. A. Spooner (1844-1930) who was noted for such expressions as "our queer old dean" for "our dear old queen."

Spooner's first recorded slip was made in 1871 when he told a friend he was leaving for Switzerland to "ramble up the Scalps." When a meeting was sparsely attended, the vicar attributed this to the fact it had been "roaring with pain since noon," and added that it "was beery work speaking to empty benches."

He lamented the habit of "reducing everything to lead level"; he had a predilection for "horse rabbit with Welsh radish." He addressed an audience of agricultural workers as "You tons of soil," and at a dinner requested "some of that stink puff"; for dessert he requested "pigs fleas" (figs, please.)

The degree of romance depends more on you and your companion than on the moon or the place.

Antioch High Science Club

The Bi-Phy-Chem Scientific Society, better known as the Science Club, at Antioch High School elected its officers last week for the 1964-65 school year. These new club leaders are: Dave Serres, president; Cheryl Ptack, vice-president; Candy Meier, Secretary; and Terry Witkowski, treasurer.

Special officers are: Wayne Sanders and Alan Tegen, co-chairmen of the Science Fair; and Tom Mayerle, publicity chairman.

The organization, whose sponsor is Mr. Bill Seemann, for several years has been one of the most active ones in Antioch High.

Each year the club handles the Science Fair. In the past this fair has included well over 100 entries from ACHS and the surrounding elementary schools, but this year the exhibition was limited to high school students and only about 30 projects were displayed. Two freshmen from Antioch, Glen Oftedahl and Lee Craner, received first awards locally, at district, and at State. Glen displayed his project again at the Museum of Natural History on May 23 and has received a special invitation to exhibit at McCormick Place next October.

To raise the money to fi-

SPEAKING TO YOU

By John Burland
Director of Social Studies,
Rockford East High School

As everyone knows, the only way to win an election is to get more votes than your opposition. The only way for a minority party to win an election is to hold the solid support of the weaker party, and to nominate a candidate who will attract votes of the independents and even the opposition. The Republicans are playing it differently this year. They are about set to nominate a candidate who will split his own party and who has little attraction for the opposition.

Sen. Goldwater has more pledged delegates to the convention than all his rivals combined. Unless he trips badly in the California primary, he probably has the nomination wrapped up. Yet the polls show that he is the first choice of only 15% of the Republicans, and the primaries show that Republicans in large number will vote for almost anyone as an alternate.

For example, it would seem impossible for Harold Stassen to get 25% of the votes in any state; he did get that number in Indiana where the only other candidate was Goldwater. In Illinois, regarded as the strongest Goldwater state north of the Ohio, there was a strong write-in vote for Lodge, a strong vote for Mrs. Smith who is not a serious candidate, and a quarter million Republicans who voted for governor did not even mark their ballots in the presidential contest. The only explanation is that these voters, Republican, had no enthusiasm for the senator.

The same thing is true in the other primaries in Nebraska, as the only candidate, Goldwater received only 50% of the votes; in New Hampshire, as a fiercely running candidate, he was beaten by the man who wasn't there; in Oregon, where for once all the major candidates were on the same ballot, the Arizonian was a weak third.

Remember that in these primaries, he is being voted on by Republicans; there is no reason to think that he has more appeal to Democrats or independents.

Does this mean that the G.O.P. has written off the 1964 election, and that they are throwing Goldwater to the wolves as a sure loser? Actually not. The delegates to the convention will vote for Barry because they love him and presumably think that he can win.

James Reston, Washington bureau head of the New York Times, has suggested that Republican staff officers have lost touch with the people. For years they have repeated the old myth of the sound conservatives who don't vote because they have no choice. Apparently, they have come

nance the fair and other activities the Bi-Phy-Chem has sponsored to record hops featuring WLS radio station "disk-jockeys." Last spring the dance featured Art Roberts and another dance in the fall was MC'd by Bob Hale. Tom Mayerle was chairman of both these projects.

This year the club has spent money on many worthwhile activities. It donated \$100 to the American Field Service Fund to bring a foreign exchange student to ACHS next year. The club provided refreshments for the Awards Program following the Science Fair and paid the expenses of Glen and Lee when they displayed their science projects in the State Exposition at the University of Illinois. It also is buying three paintings which will hang in the high school.

This year the Bi-Phy-Chem began another project which it plans to continue every year; it gave two \$50 scholarships to senior members. These funds are to be applied to regular college expenses. Scholarship recipients this year are Marilyn Gras and Betty Liddle. Both girls have belonged to the Bi-Phy-Chem for four years and have been officers for three of those years.

The retiring officers who have guided this club through its year's activities are: Marilyn Gras, president; Greg McBain, vice-president; Willette Monnier, secretary; Wayne Sanders, treasurer; and Betty Liddle, chairman of the Science Fair.

but accuracy, and it is only in fiction that the 100 to 1 shot wins the race and pays off the mortgage on the old homestead.

What It Costs To Stay In Style

It happened recently that a well-endowed young man from a party in one of those expensive, low-cut fashions and presented herself for approval to her engineering-minded husband.

"I'm confused by that dress," he said. "Are you inside trying to get out or outside trying to get in?"

It's plain that you just can't please everybody. If the car makers were sure of being ninety percent right they could save millions.

Here's what happens to a car body style before you get a chance to turn your nose up at it on the street.

Stylists working with thousands of variations for three years finally decided on twenty. These are made into clay mock-ups at \$25,000 each.

Then the pick of these, with the best features of others, are made out of plaster or fibre glass. Add another \$25,000 each. Then the one you finally get is built by hand at around \$100,000 before the multi-million dollar tool-up begins.

Styling expense comes out finally to about \$4.00 a car with mass production, which isn't too bad. Engineering changes average \$58.00 per car.

Nobody really knows what style is except that it goes in one year and out the other. Human nature doesn't change though. People still want honest and fair treatment when they buy a car and good service after that doesn't cost too much.

A dealer who supplies them will outlast the styles.

A near record crowd turned out Sunday night to see wild action at Waukegan Speedway when Steve Stevens of Libertyville grabbed the exciting feature race just ahead of Ray Darnell of Deerfield. The show was marked with higher speeds than ever this season and more cars and drivers joined in the extra heat races.

Winner in the semi-final feature was "Junior" Dodd, Waukegan, with another top star, Hal Gutche of Kenosha, taking the feature for the Sportsman division. About 12 more cars than last week turned out for time trials. The total field of Sportsman has now reached 72 with Eddle and O'Dell Jones of Waukegan making the local fans jump to their feet on every turn. These brothers have provided thrills to the speedway fans in Lake County since 1962 and are getting better and wilder every show, Gordon Sill, promoter, said today.

Winners of the heat races were:
1st Modified heat, G. Nis-son... 2nd—Ray Darnell... 3rd—Bill Bohn... 4th—Jim Olet... 1st Sportsman heat—Al Lucas; 2nd—Chuck Davis.

Racin will begin on Wednesday nights, starting June 3. Promoter Sill announced. Each show will feature both Modifieds and Sportsman cars. Every indication is that the crowds want more nights of racing in this area since Soldier Field has closed for stock cars.

People who cough never go to the doctor. They go to the theatres.

Little boy to woman holding puppy: "Don't let him off your lap. He isn't house-broken."

Former Pupils... Beach Grove

(continued from page 1)

rectors is Chester White, president, Russell Doolittle, secretary and Mrs. Belle Nelson. They urge former pupils to attend the picnic and bring pictures and tales to exchange of their school days. Anyone unable to attend is asked to call Mrs. Helen Pedersen Nelson, 1054 Victoria St., Antioch.

Youth Drowns.

(continued from page 1)

signs are posted in other areas on the shore. There is no beach anywhere at the resort, she said, the river bottom is muddy, and it is not meant for swimming.

Mrs. Krupo said that in the evening, after the boy's drowning, his father asked Mr. Krupo to row him across the river "to get something." Mr. Krupo said they retrieved the boy's clothes, dry, from the opposite side of the river. "I don't know what they were doing over there," she said.

William Burnham, Jr. lived with his parents at 2214 S. Kostner Ave., in Chicago. He drowned at about 3:30 p.m. Sunday. He was born August 13, 1947, at Gage Town, Michigan, and had resided in Chicago for four years. He was a freshman at St. Phillips High School and a member of St. Valentine Church in Chicago. He is survived by his parents, William F. Sr., and Lillian Burnham; one sister, Jeanette; and 3 foster sisters and brothers being raised by his parents, Mary Martinez, Hershel Yost, and Sylvia Yost.

Local funeral arrangements were made by the Strang Funeral Home in Antioch. He was then taken to a funeral home at 238 S. Cicero Ave. in Chicago. The funeral was Tuesday, with interment in Queen of Heaven cemetery at Hillside.

ALL ABOUT BABIES

A Public Service of the
National Baby Care Council
BABY FOOT CARE

By Dr. John T. Sharp, Chairman Committee on Children and Youth Fitness, American Podiatry Association
Looking at baby's ten pink toes and two tiny feet, it is hard to believe they will carry your child approximately 65,000 miles during his life. Knowing how to protect the normal development of baby's feet, knowing the importance of foot care and of the relationship of foot health to good body posture, will save your child miles and hours of discomfort.

The average baby begins weight bearing between nine and fifteen months of age. Until then shoes are not too important and the feet are free to develop without restriction. Many doctors, however, recommend soft soles and semi-hard soles to eliminate the danger of injury to the feet.

The important thing for you to remember is that any footwear, even booties and socks used for warmth and appearance, be large enough to avoid any pressure on the developing structure of the baby's feet. Feet grow rapidly. Every pair of feet has its own schedule of growth. On the average, however, between the ages of one and six, your child's shoe size should change every four to eight weeks.

We take for granted when baby is born that the feet are perfect. In extensive research, it has been found that the feet of many children, at the age of one, have some variation from the normal. There are, of course, many types of normal feet. The test of a normal foot lies not in the height of the arch but in the correct alignment of its component bones and the action of its muscles. Some variations may correct themselves. Others will require professional foot care.

Every baby is born with an arch protected by "fat pads" which often give a flat-foot appearance when the child begins weight bearing. These "fat pads" are nature's way of protecting the delicate structure and they will disappear as the foot develops. Baby will not begin to walk until his feet are strong enough to hold his weight. So, don't force him. But as soon as baby begins pulling himself up and putting weight on his feet, shoes become a necessity.

Beach Grove

By Del Jahneke

On Wednesday, May 27, the eighth graders had their graduation ceremonies at the Emmons School, at Beach Grove. Dr. W. C. Petty, County Superintendent of Schools, was the main speaker. Mr. Donald Fisher, school board member, gave the welcoming address. Mr. Louis Tanner, School Board President, and Mr. William Hansen presented the diplomas to the graduating class—Vern Anderson, Richard Becker, Walter Basnick, Lylo Ferris, Carol Gehris, Linda Grego, Roger Kovidny, Michael Lasco, William Revell, Randy Rich, Maynard Schneider, and Randy Sodman.

Mr. and Mrs. Barney Nevel-

er, Beach Grove, have returned from a two week vacation trip to Eau Claire and Chetek, Wis. They spent a good deal of their time visiting relatives in those vicinities.

Walter and Fred Zimmer,

grandsons of Mr. and Mrs. Alex Hoffman, Grass Lake, will be returning to their parents' new home in Rolling Meadows, Ill., as soon as they finish their school year in Grant Township High School. Fred Zimmer was a 6th place winner in the Dis-

Northern Illinois Gas guarantees you'll be comfortable anywhere in your home with GAS Central Air Conditioning

Let us arrange to have an air conditioning expert call on you and give you all the facts. Get complete information on how Northern Illinois Gas will:

- Provide free cost estimate, covering the installation itself and the approximate operating cost of the gas central air conditioning system best for your needs.
- Arrange for installation.
- Supervise installation to make sure everything is handled correctly.
- Guarantee the installation.
- Provide free maintenance service for two years. This service is seldom necessary, but it's reassuring to know you're protected against any repair costs if they should occur. After two years, we'll set up a service contract, if you desire.
- Finance the installation, arranging payments

over a period as long as five years with a standard simple interest rate of five percent.

Topics for Today's Women

3 Graduates In One Family

Graduation time is a busy time for the parents of graduates. It will be particularly busy for Mr. and Mrs. Elmer Eberman, Rt. 3, Antioch, this year. All three of their children are graduating from as many schools.

Son Roger graduates from Antioch Community High School on June 2. Daughter Wendy, youngest of the three, graduates the next day, June 3, from Channel Lake Grade School. And "Chip" (Elmer, Jr.) graduates from King's Point Merchant Ma-

rine Academy on July 27. Wendy has been a cheerleader at Channel Lake School for three years. Her Grade School Thespians efforts include roles in "Ring Around Rosie" and "Are We Dressing?" She is a member of the Safety Patrol, and has been on the Honor Roll continuously. Special interests are Art, Dancing, Swimming, Water Skiing. She will attend Antioch Community High School and take a College Prep course.

Roger is a member of the National Honor Society in High School in both his junior and senior years. He was a member of the Senior Choir and the audio-visual club. He was a member of the cast of "Down in the Valley." He will attend the National Jamboree of Boy Scouts of America at Valley Forge in July as a Junior Assistant Scoutmaster of Troop 49 from the North Shore Area Council. He plans to attend Illinois Wesleyan University in Bloomington next fall where he has received a \$600 grant-in-aid. His present plans are to major in Conservation with special emphasis on Wild Life Management.

"Chip" will graduate from King's Point Merchant Marine Academy on July 27 with a B.S. degree, third Mate's rating in Merchant Marine and an ensign's commission in the U. S. Navy. His present plans are to ship from the Lykes Bros. Lines in New Orleans.

He was co-captain of the 1964 baseball team at the Academy and champion of the intermural 100 yard dash. He was a member of the Variety Club for four years. He spent one year of his schooling sailing as a deck cadet with merchant marine lines. His voyages took him to France, Germany, England, China, Taiwan, Japan and Korea.

A busy family, the Ebermans.

W.S.C.S. TO HAVE POT LUCK LUNCHEON

A pot luck luncheon will close the year's activities of The Woman's Society of the Methodist Church. The date is Wednesday, June 3, 12 noon, and the honored guests are the members of Alice Circle who have had the largest attendance at meetings during the year. The Circle has also won this distinction the two previous years.

Doreas Circle will be hostesses. Mrs. Donald Cobb will conduct the devotional part of the meeting, followed by yearly reports from various chairmen, secretaries and the historian.

Mrs. Charles Watson will close the meeting with a reading entitled "The First and Greatest Commandment."

Marquette Graduate

An Antioch resident is included among the 271 from Illinois listed in the record-breaking senior class of 1,419 candidates for graduation from Marquette university

RAY F. VAN PATTEN

in Milwaukee, Wis. Ray F. Van Patten, Rte. 3, a senior in the Marquette college of engineering, is a candidate for the degree of bachelor of mechanical engineering.

Spring Graduate

Miss Barbara Anne Carney, daughter of Mr. and Mrs. Edward G. Carney of Antioch, is completing her student teaching at Crystal Lake, Ill. She will graduate from

BARBARA ANN CARNEY

Northern Illinois University on June 6. In Sept. Miss Carney will join the faculty of the Harrison school in Wonder Lake, Illinois.

Miss Carney is a 1960 graduate of Antioch Community High School.

ATTEND O.E.S. MEETING AT RICHMOND

Several members of Antioch chapter O. E. S. attended grand lecturer's night at Richmond Monday evening. Mrs. Lillian Gaa acted as conductress.

BIRTH NOTES

A daughter was born to Mr. and Mrs. Richard Pahlke, Antioch, Sunday, May 24, in Victory Memorial Hospital.

Births

Mr. and Mrs. Frank Albert are the parents of a baby daughter, Jennifer Lynn, weighed 7 pounds 13 ounces at birth.

Mrs. Albert is the former Arlene Cribb, daughter of Mr. and Mrs. Harlow Cribb, of Antioch. Mr. and Mrs. Cribb went to Urbana last weekend to see their new granddaughter.

Mr. Albert is the son of Mr. and Mrs. Walter Albert of Lake Villa. Frank is studying for a Master's degree in City Planning, and expects to receive his degree this spring.

BUS SERVICE TO BLINCO-GRAHAM CRUSADE

A chartered bus for residents of the Antioch area will leave the Antioch parking lot at 6:15 p.m. Monday through Friday of next week for the Chicago-Northwest Area Crusade in Mount Prospect conducted by the Billy Graham Evangelistic Association.

The Rev. Joseph Blinco of the Billy Graham team will be the principal speaker. Musicians George Beverly Shea and Don Hustad will also be on the program each night.

On Sunday, June 7, the bus will leave at 1:45 p.m. for the Arlington Heights Race Track where Billy Graham will conduct the closing rally.

The bus service is available to all who wish to attend.

BOB LINDBLAD is back in the theater with a role in the PM&L's next production.

BETTY BEVEROTH will have a role in the coming musical "Nothing Ever Happens in Our Town."

Legion News

LEGION AUXILIARY

By Del Jahneke

Mrs. John L. Horan, Sr., Poppy Chairman, announced that the Antioch area people donated \$205.00 to the sale of poppies on Saturday, May 16. Since Antioch Unit No. 748 always pays for their poppies when they order them, so that the disabled veterans who made them will receive their money, this sum of \$205 will then be used in Antioch Unit's extensive rehabilitation program at Downey Hospital, Great Lakes, Ill.

Plans for the 24th annual session of Illini Girl's State are now under way according to Mrs. Joseph Horton, Illini Girl's State chairman, of the Antioch American Legion Auxiliary. This project, sponsored by the Department (state) American Legion Auxiliary, is for the purpose of providing citizenship training for Illinois girls who are members of the Junior high school class.

This year's session will be held at MacMurray College, Jacksonville, Ill., June 16-23, with an enrollment of approximately 500 girls. Mrs. Horton stated that the Antioch Unit No. 748 is sponsoring Miss Joan Tanner (her alternate is Miss Toni Aerne) whose attendance, train fare, etc., will be financed by the Unit.

Selection of the applicant is made by asking the faculty members of the Antioch Community High School to prepare a list of eligible girls, who have leadership qualities and who, through attributes of interest in civics and government, good character, self-reliance, honesty and cooperativeness have contributed to the high morals of the school and the community. Scholastic rating and physical fitness are other requirements. The final selection is made by the Antioch High School faculty.

Illini Girl's State is managed by a commission made up of American Legion Auxiliary leaders, who make the

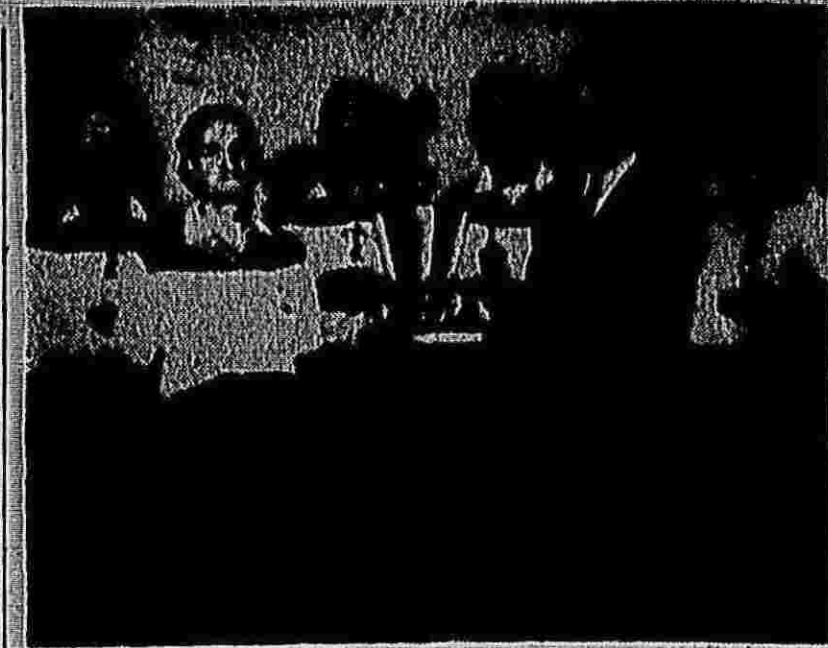

plans and set the policies for this program, subject to the approval of the State Board of Directors of the American Legion Auxiliary. The educational pattern is handled by a staff of Auxiliary members experienced in teaching government procedure. Former citizens of the Illini Girl's State serve as Junior Counselors.

Activities get underway immediately upon the opening of the session through the formation of two political parties, called the Federalists and the Nationalists. As the mythical state government is formed, conventions are held, nomination of candidates take place and campaigns are conducted. Elections take place first on the city and county level and progress to the state election, all patterned along the lines of the election laws of the State of Illinois. After the newly elected State Officers are installed—from the Governor down—all functions of the government are carried out—executive, legislative, and judicial. During the session, two representatives are chosen to attend the American Legion Auxiliary's Girls' Nation in Washington, D. C., where government is taught on a National level.

One day is spent in Springfield, where the girls meet Governor Kerner, and tour various state buildings. A trip to Lincoln's tomb is included. On Sunday, each girl goes to the church of her choice, and then is a guest at an afternoon reception for the alumnae of Illini Girl's State.

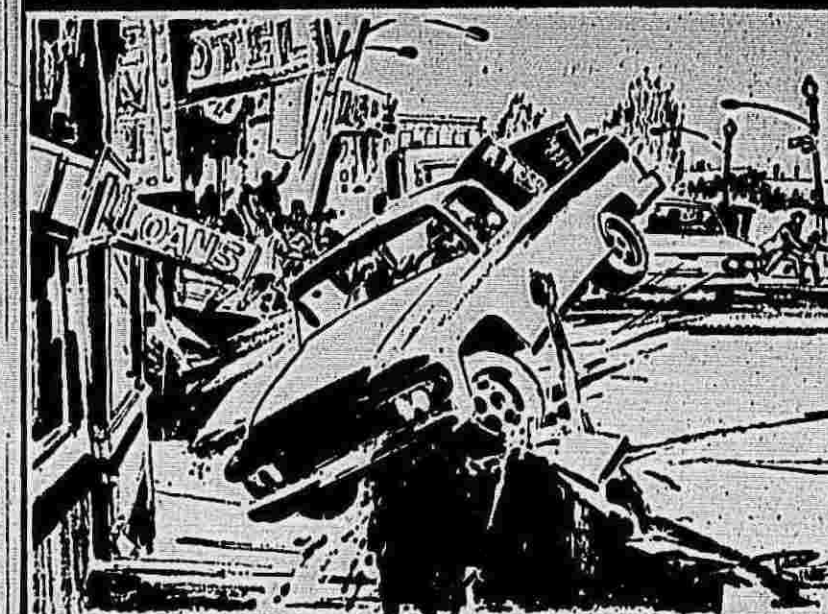

On Saturday, June 8th, Mrs. Horton, Miss Joan Tanner and Mrs. Louis Tanner will be attending the 10th District American Legion Home.

Motorists should not weave from one lane to another, warns the Chicago Motor Club. Such weaving in and out of traffic increases the risk of collision with other cars. Competent drivers choose their lane with care and move from it only when they are certain they can do so without endangering others.

EARL "DOC" HAYS, Captain Tony Seleccro, Ken Liddle, Dick Burnette, Preston Rockers, Jr., and Ed Palinski. The State Bank of Antioch bowling team took first place in the Thursday Night Businessmen's League at the Antioch Bowl. Mr. Rockers accepts the trophy for the bank.

What in the WORLD! by TED

Our "Quaking" Earth

Tragic as last month's Alaska earthquake was, its toll of dead stands miraculously low on the scale of history's great quakes.

Since 1900, temblors have killed an average of over 15,000 persons a year, says Dr. E. M. Fournier d'Albe, a specialist in seismology and geophysics for the United Nations Educational, Scientific and Cultural Organization (UNESCO).

China has been the hardest hit, he says in a report on quake devastation. History's highest toll was recorded on Jan. 24, 1556, when 830,000 persons died in a north China temblor.

Staggering death counts in the present century include 180,000 fatalities in a 1920 northwest China quake, 143,000 in Tokyo, Japan three years later and 75,000 at Messina, Italy, in 1908.

Over 300,000 quakes occur yearly, but relatively few are strong enough to cause casualties or damage. UNESCO is conducting worldwide studies aimed at devising forecasting methods and designing shock-proof buildings. Experts note that most quake deaths result from landslides and falling buildings—not from the earth shocks themselves.

Salem Drops 2 On Links

The Salem Central Falcons dropped two matches to conference foes as the Union Grove and Waterford linkmen beat the conference champs.

Union Grove outshot Salem 228-236 and Waterford 217-219. In the Union Grove match Salem was leading but Rodger Aguero had one of those days and carded a 56 to boost Salem's score. The Falcons had no man over 50 and won unexpectedly.

Waterford set a school record in beating the Falcons. Gary Lewis, the conference medalist, shot a 40 to beat out Jerry Conforti of Salem who had a 41 for medalist honors.

Salem (235), Jerry Conforti 43, Mark Olsen 45, Ray Noko 45, Hector Velasquez 46, Rodger Aguero 56.

Union Grove (228), Bob Reinholdt 41, Mark Maranger 45, Mike Bodven 47, Bill Phelps 47, Rich Swantz 48.

Salem (219), Conforti 41, Noko 41, Aguero 43, Velasquez 47, Olsen 47.

Waterford (217), Lewis 40, Erwin 43, Deak 44, Heck 45, Edwards 45.

The philosopher who said that work well done never needs doing over never raked leaves.

THE 1964 SEQUOIA BASEBALL TEAM (left to right, front row: Alan Brandenburg, Roger Eberman, Dean Denman, Jesse Inman, Jeff Gates, Wally Flaviak, Bob Lanczewski. Back row: Wayne Sand-

ers, Norb Walter, Bernie Smith, Jim Barnstable, Terry Schneider, Jim Wojczynski, Mike McConahay, Carl Meade and Coach Bruce Stehmer.

Track Squad Misses Championship By Only Two Points

The Sequoia track squad came within two points of bringing home the first Conference Track Championship in many years Saturday when they were edged by Wauconda 56 to 54.

It turned out to be practically a dual meet as third place Ela-Vernon totaled only 20 points. The meet went down to the last event in one

of the most dramatic conference competitions in years. The Sequoia were four points behind Wauconda in the mile relay the only event left on the schedule. Antioch won first by a wide margin as finished in third to gain the needed points to give them the first place victory.

The Sequoia picked up first place points in the hun-

dred yard dash, the mile relay and the discus. Bob Schenk tied Bob Scott of Wauconda in the high jump to split first and second place points.

Tom Morgan ran the hundred in 10.5 against a stiff wind to edge Logan of Wauconda and Ipsen took the discus event with a heave of 138' 5".

New conference records were set in the 880 yard relay, the mile run and the pole vault. Wauconda paced the half mile relay entries with a time of 1:34.3 and a new record. Welter of Grant set a new mark in the pole vault with a 12' 1 1/4" effort and Lindahl of Grant ran the mile in 4:34.4.

The results of each event in the order of their place were:

120 H. H. Scott (W), Dalgard (A), Becky (GL), De Nova (W), Kay (GL). 15.9. 100 yd. Morgan (A), Logan (W), Whitmore (EV) Edwards (A), Winterroth (W). 10.5. 880 yd. Lindahl (G), Effinger (A), Faulkner (WR), Hansen (EV), Edler (EV). 1:58.8.

880 Relay Wauconda, Antioch, Lake Forest, Ela-Vernon, Round Lake. 1:34.3. 440 yd. Logan (W), Peterson (W), Flakamp (G), Tantlinger (A), Morgan (A). 51.6. 180 L. H. Cooke (LF), Strohl (W), DeNova (W), Kay (GL), Brady (A). 20.9.

Mile Lindahl (G), Faulkner (WR), Hansen (EV), Grant (G), Kreplin (RL). 4:34.4. 220 yd. Logan (W), Cooke (LF), Morgan (A), Whitmore (EV), Diggs (EV). 22.4.

Mile Relay. Antioch, Ela-

Sequoia Upset Wauconda

The Antioch track team upset a power-laden Wauconda squad last Wednesday in a dual meet held on Antioch's cinders. The Sequoia totaled 62 points with seven first place finishes to 56 for the Bulldogs.

Tom Morgan started things off for the Sequoia when he edged Logan in the hundred yard dash with a 10.4 clocking. Jim Effinger quickly followed with a 2:05.9 effort in the 1/4 mile, good for first place. Morgan picked up additional points for the Sequoia by finishing second in both the 440 and the 220.

Bruce Dalgard placed second to Scott of Wauconda in the 120 high hurdles, but Wauconda took all three places in the 180 yard low hurdles.

Vince Casella, Lon Ipsen, Bob Schenk and Jim Sheppard dominated the field events with first place finishes in the shot put, discus, high jump and the pole vault.

The Antioch relay team topped off the competition with a 3:40 first place mile effort. Logan of Wauconda, after running second to Morgan in the hundred, took first in the 440 and then the 220 yard runs.

It's not that I really cheat at golf. I play for my health and a low score makes me feel better!

Vernon, Wauconda, Grant, Warren. 3:33.8.

Shot Dobbs (W), Casella (A), Lemm (LF), Grant (LF), Ipsen (A). 48' 0".

P. V. Welter (G), Diggs (EV), Layton (G), Sheppard (A), Angeloff (RL). 12' 1 1/4".

H. J. Scott (W), Schenk (A), Becky (GL) Edwards (A), DeZurich (GL). 5' 10" tie.

B. J. Evert (EV), Coomes (W), Edwards (A), Diggs (EV), Zimmer (G). 20' 1 1/4".

Discus. Ipsen (A), Grant (LF), DeZurich (GL), Flood (A), Dobbs (W). 138' 5".

Salem Wins Track Title

Coach Rodger Terry's Falcon track team gained revenge for last year's 1/2-point loss to Waterford as the Salem thincads beat Waterford and Union Grove 65-54-29. The track championship caps a very successful year for Salem athletics. The Falcons won the Basketball, Wrestling, Track and Golf championships and added the Wrestling Regional title.

Two school records were broken in the meet: the 880 by Dick Pfluger and the Medley Relay (Jim Gresham, Don Farm, Bob Schroeder, and Cal Crumbliss). Pfluger ran a 2:06.8 880 to break Crumbliss' mark set last year as a sophomore. The relay team turned in a time of 3:53.7.

Denny Weis won the discus with a toss of 126 feet 3 inches. Don Farm (broad jump), Rory Boucha (high jump), Don Sundstrom (pole vault), and Phil Meyers (mile) all took firsts for Salem.

TWO SALEM TRACK RECORDS FALL

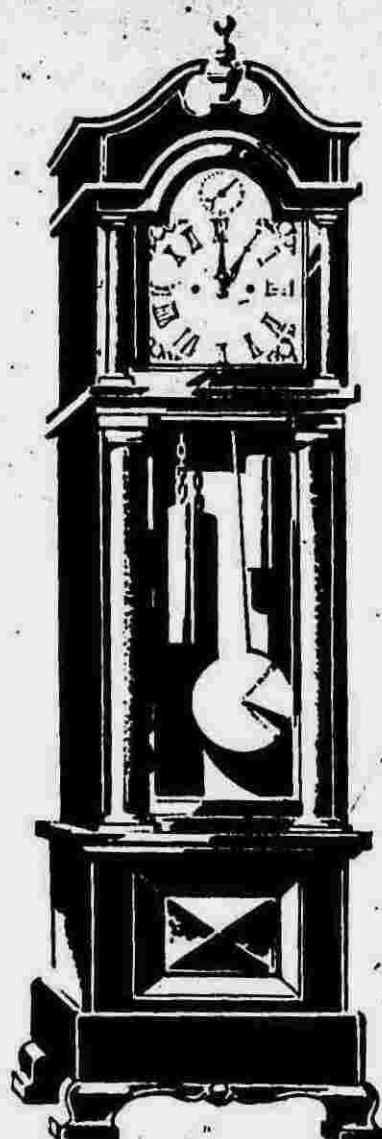

Junior Cal Crumbliss and sophomore Rory Boucha set school records as Salem routed Burlington St. Mary's 70-48. Crumbliss finally broke the low hurdles record after flirting with it all year. The fleet junior had a time of :22.6. Dennis Marino held the record previously. Rory Boucha cleared 5 ft. 9 in. in the high jump to better Jim Hofer's old mark of 5' 8 3/4".

Denny Weis of Salem and Greg Reese of St. Mary's were double winners: Weis won the shot and discus, Reese the 100 and 220. Others who took firsts for Salem were: Lyle Foulke (broad jump), Dick Pfluger (880), Don Farm (mile), and Don Sundstrom and Bob Schroeder who tied for first in the pole vault. Salem swept the shotput, high jump, pole vault, and 880.

THESE HIGH SCHOOL BOYS scored highest in their age group in physical fitness tests given at the High School. Left to right, Rick Erickson, 15 years old; Ed Thayer, 17 years; Paul Galati, 14 years; Bill Woodmaster, 18 years; Gary Kappel, 17 years.

JIM EFFINGER, anchor man on the Sequoia relay team, breaks the tape at the Conference Meet Saturday at Lake Forest. The Sequoia placed second to Wauconda in the meet.

Falcons Split Double-Header

The Falcon baseball team was involved in two high scoring games against Wilmot and Waterford but unfortunately Salem only scored a great deal in one of them. Aided by 13 walks, Salem rallied to beat Waterford 13-11 but fell to Wilmot's fine team 14-1.

The Falcons trailed Waterford 8-2 going into the bottom of the 4th but the Wolverine hurlers began to get generous and issued free passes, key hits by Tom Lois and Ron Schultz helped the Falcons score 11 runs in two innings and win going away.

Against Wilmot, the Falcons got one hit and the Panthers didn't commit many errors. Jeff Wheeler of Wilmot struck out 10 and walked only 2. It was only 2-1 going into the bottom of the 4th with Wilmot ahead. Wilmot then began to zero in on the Falcon pitchers and proceeded to blast Salem for 12 runs. Salem will play next in the district tournament.

Heavy Hitters In 1964 Little League

In Little League action last week the Cubs, Dodgers, Tigers, and Giants were winners.

Monday the Cubs defeated the Yankees 20 to 6 with Dana Troyer and Dave Strang getting home runs for the Cubs.

Wednesday the Dodgers beat the Sox 20 to 12 in seven innings. At the end of the regulation play the score was tied 10 to 10, but the Dodgers ran 10 men across the plate in the 7th, with Mark Larson's 3-run homer being the big blow. Glen Brooks was the winning pitcher.

Thursday the Tigers won their second straight, defeating the Yankees 17 to 10. Billy Albano cracked his second home run in as many games.

Friday evening the Giants outdid the Dodgers to take an 11 to 8 decision, despite Mark Larson's second home run of the week. Jim Grumbeck was the winning pitcher.

In the first five games, six balls have been hit over the fence, despite what the coaches think has been fair to good pitching, indicating that the League will be strong in hitting this year.

Lake Villa Little League

By Mrs. Bernice Bernau

In the second week of Little League play, Alan Steller of the Giants led his team to a 7-0 victory over the Sox. Alan again gave evidence of his pitching ability by hurling a one-hit game.

In the game between the Cubs and the Braves, Ralph Zanek, the Cubs' leading hitter, improved his already high batting average by getting five hits out of five times at bat. Ralph hit two singles, a double, a triple, and a home run, batting in eight runs for the Cubs. Two Braves who also hit home runs were Tom Lump and Ted Gruszczyk. The final score of that game was Cubs 20 and the Braves 4.

In other Little League games the past week, the scores were as follows:

Yanks 6, Angels 2
Pirates 5, Dodgers 4
Yanks 10, Giants 5
Dodgers 14, Sox 10.

Little League and Babe Ruth League games scheduled from May 28 through June 5 are as follows:

Little League
Visitors Home
May 28—Dodgers vs. Angels
29—Sox vs. Pirates
June 1—Cubs vs. Dodgers
2—Angels vs. Pirates
3—Giants vs. Braves
4—Sox vs. Yanks
5—Dodgers vs. Braves

Babe Ruth League
June 1—Twins vs. Indians
2—Colts vs. Tigers
3—Mets vs. Colts
4—Indians vs. Mets
5—Tigers vs. Cards

Drag Races on Memorial Day

Milwaukee, Wis.—The 8th annual "National Fuel and Gas Championships" will be held at Great Lakes Dragway, Union Grove, Wis., during the Memorial Day weekend, Friday, Saturday, and Sunday, May 29, 30 and 31.

On Friday, May 29, races will start at 8 p.m. On Saturday, Memorial Day, there will be two complete, separate events, at 2 p.m. and again at 8 p.m. Sunday's meet will start at 2 p.m. The dragstrip is located 20 miles south of Milwaukee on Hwy. 45 at Union Grove, Wis.

The best way to enjoy a beautiful, productive garden is to live next door to one, and cultivate your neighbor.

Inside Antioch High

By Marilyn Gray

This is the last week of the school year at Antioch High and things are drawing to a close. Clubs have elected their officers for the next term, and students are making plans for the summer. This is Senior Week, and the hallways seemed empty with only underclassmen in attendance.

Final exams will be given Friday and Monday mornings and practice for the Baccalaureate and Commencement will be held those afternoons. Baccalaureate is scheduled for 8:00 Sunday evening in the auditorium. If the weather permits, Commencement will begin at 8:00 Tuesday evening on the athletic field.

Both the track and golf squads did worse than they had hoped for the season but still ended with a fine record. The golf team finished second in the conference, but Les Miller captured the individual crown for the third straight year. Last Saturday the track team came in second at the Conference meet. It finished, however, only two points behind Wauconda's Bulldogs. The baseball team had a much less outstanding record and ended up in last place for the season.

Bruce Dalgard, an experienced school leader, will serve as president of the Student Council for the next school year. Class presidents are Jim Edwards, Senior class; Dave Chandler, Junior class; and Don Zeman, Sophomore class. The freshmen will elect their officers next fall.

Thirty-eight seniors are spending most of this week in New York and Washington, D. C. They have worked during the entire school year to finance their trip, which is not school sponsored. They left by bus from Antioch last Saturday and expect to return sometime Thursday.

At the Annual Fine Arts Department Awards Evening three students were named the outstanding musicians of the Senior class. John D. Horton was the winner of the Arion Foundation Award for the outstanding choir member, and Betty Liddle and Roy Miller shared the honor of the John Phillips Sousa Award for band.

John D. has been in choir all four years and has performed many solos at concerts and in musicals. For the past two years he has been elected President of the choir and he has also served as student director.

Although the Sousa Award is usually given to only one band member, this year two Seniors were worthy of it. Betty and Roy have both been in band four years, received a Superior rating on a solo at State Contest, and performed solos with band accompaniment at a concert during this school year. Betty has been solo clarinet player in the concert band for two years and has played the guitar on the Stage Band. Roy was outstanding on the drums in the Stage Band and has served this year as student director. Both plan to continue in music.

NOW! GUARANTEED eat IN THE meat FOR THE SEASON'S FIRST "COOK-OUT!"

Even Before You Get The Charcoal... See A&P's Great Selection Of Rotisserie Roasts, Thick Juicy Steaks, Pork Chops, Ham Steaks, Spices And Sauces—All Priced Right—And All Right In The "Cook-Out" Section Of The Meat Dept.

We'll all agree that meat is one of the most important ingredients for any family outdoor "barbecue." So why not start with the MEATS that actually are money-back guaranteed to SAT as good as they look... A&P's famous "Super-Right" meats? From the nation's top packers we select the hearty, flavorful, corn-fed beef and pork from which we cut all of our special "outdoor cooking" meats. Our buyers know that if they can't be guaranteed—they're not "Super-Right" quality. They also know that when they are "Super-Right" quality, they can be fully guaranteed either for controlled indoor cooking or the less scientific "outdoor" kind. This week-end plan an outdoor barbecue—at A&P the EAT in the MEAT is guaranteed. Either you're completely satisfied or your money back. If that's going out on a limb... we've done it!

Civil Defense Test To Be Held In Lake County Every Month

All Civil Defense public warning devices in Illinois will be tested on the first Tuesday of each month, in a uniform manner, and at a specific time for the entire state, starting Tuesday, June 2nd, at 10:30 a.m.

Lake County will sound their warning devices Tuesday, June 2, at 10:30 a.m., and on the 1st Tuesday of each month thereafter.

This TEST will consist of sounding the siren for 1 minute of a steady blast for the ALERT signal, followed by 1 minute of silence, then 1 minute of the wailing tones or short blasts of the TAKE COVER signal. This is to familiarize the general public with the difference in the signals, and it is of great importance that they understand the above signals when sounded at 10:30 the first Tuesday of each month, are for TEST purposes only.

The 73rd General Assembly of the State of Illinois has enacted the above legislation to enable Civil Defense agencies to TEST public warning systems for Civil Defense at a common time.

Purpose of the TESTS is TEST the public warning devices in accordance with the new civil defense Federal Guide which states all public warning devices must be tested a minimum of once a month.

Second, the change will re-

duce confusion when Illinois residents visit other Illinois communities where testing is conducted at a time different than their own.

Third, it makes certain that the TEST is conducted at a time when business and industries are in operation and, when schools will be in session. It is important that these organizations make certain that the sirens can be heard over routine noise levels in all parts of the buildings they occupy.

Central High Plans Graduation Exercises

Salem Central High School began its commencement exercises Sunday evening, with a Baccalaureate Service attended by the 148 graduates and their teachers, who assembled in the gym. Rev. Cletus Uhen of St. Francis Xavier Church at Brighton delivered the sermon and gave the invocation and benediction.

On Friday, May 20, at 8 p.m., Rev. Charles E. Logsdon, pastor of Wesley Chapel, Bristol, will deliver the invocation. This will be followed by an address by Dr. Leroy Luberg, University Dean for Public Services of the University of Wisconsin at Madison. His topic will be "Talents Unlimited." Dr. Luberg comes well recommended as he has a long line of positions served for the United States government, plus his university contacts. He also served as the executive secretary to Governor Vernon Thompson. Dr. Luberg once served with the foreign branch of the Central Intelligence Agency, and should certainly have a message for the graduates.

Varsity cheerleaders chosen

The year 1964-65 will have the following cheerleaders to cheer the crowd on for football and basketball season. They are Judy Halbach, Lane Klemko, Sue Meier, Carol Nielsen, Eldonna Schulz, and Mary Wagner. All these girls will attend the cheerleading camp at Platteville State College from June 28 until July 3.

Fatigue is an enemy of driving safety, cautions the Chicago Motor Club. If you feel sleepy or tired when driving, stop for refreshments or pull completely off the road and rest.

The Harold A. Taylor Post No. 47, American Legion is issuing free, American Medical Association Emergency Medical Identification cards, to those whose medical conditions carry a special hazard, should they be rendered unconscious by an accident or sudden illness. Among these may be those afflicted with diabetes, epilepsy, glaucoma, heart conditions, deaf and mute persons, multiple sclerosis, hemophilia; those allergic to certain foods and drugs, contact lens wearers, and those taking certain medicines.

For such persons, the information on the card can be life saving, should they be unable to tell of their medical conditions. It will warn the doctor that these conditions exist and could, for example, prevent him from administering a drug to a patient highly allergic to it.

The card has space for the name and address and telephone number of the wearer, his religion, those to be notified in an emergency, the name and address of his own physician, present medical problems, dangerous allergies, and other important information.

Anyone desiring one or more cards, may obtain them by writing to Public Relations; Harold A. Taylor Post No. 47, 3819 N. Ashland, Chicago, Ill. 60613.

Grove School Starts Summer Program

The Grove School for handicapped children will conduct a full summer school and recreation program starting Monday, June 9, at the Trinity United Church of Christ, 760 North Avenue, Deerfield.

This summer's program will have a full school day from 9 to 2 p.m. daily, except from June 15 to June 28, when afternoon classes only will be held in order that the regular Church Daily Vacation Bible sessions can be conducted in the morning hours.

Grove School summer program offers tutoring in academic subjects, recreation, and swimming for handicapped children under the guidance of the regular teaching staff plus a corps of trained volunteers. Children with varying types of handicaps from the ages of 3 to 18 will have special classes organized to meet their special learning needs.

Enrollment is limited to 25 children. For further information call the school office, 945-1242.

Be sure you're right, then check your figures.

Lindenhurst News

By Mrs. Bernice Bernau St. Mark's Lutheran.

Driver Cited

Stanley Leslie, 23 years old, of Vonstian Village, driver of a car that hit Michael J. Murphy of Chicago, on Grand Avenue at Linden Plaza Sunday afternoon, was cited for following too close and leaving the scene of an accident. He was apprehended three hours later by the Lindenhurst police. He is to appear in Circuit court in Round Lake Beach.

Police Attend Finger-Printing Class

Eight Lindenhurst policemen attended a fingerprinting class Monday evening at the Village Hall. Instructing them was Frank Matthys, FBI in Chicago. This is only one phase of the training the force is undertaking to be better qualified for their job. Matthys also showed them how to disarm.

Church News

Members of the Stewardship committee, headed by Arthur Havin, are Donald Oilschlager, Edward Bybee, Edwin Erber and Henry Franzen.

Permission has been given by the council to purchase drapes for the all-purpose room.

Flowers under the bulletin board and under the cross have been planted and are being tended by Mrs. Gustav Fabry.

Visitors to St. Mark's are asked to sign the guest book in the narthex, and pin the

"Victor" ribbon on to identify themselves.

Prince of Peace Church

The newly elected officers of the Altar and Rosary Society will be installed Wednesday, June 3, after Benediction, starting at 8 p.m. Mrs. John Weiss, president of Archdiocesan Council of Catholic Women, will be the installing officer.

To be installed are Mrs. Edward Rossal, president; Mrs. Donald Oelerich, first vice president; Mrs. Thaddeus Skora, second vice president; Mrs. Charles Huber, secretary; and Mrs. Richard Zegan, treasurer.

Junior Girl Scout Troop 269 Banquet

Twenty-two Junior Girl Scouts and their mothers, leaders and four guests attended Troop 269's Mother and Daughter annual banquet last Wednesday afternoon at the Lindenhurst Civic Center.

Mrs. Ted Myslinski was M.C. Mrs. Harold Sokup, leader, introduced their guests, Mrs. George Dorderian of Antioch, the new Sequoyah Neighborhood chairman, Mrs. George Sedivec, past chairman and new consultant, Mrs. Raymond Parpan, president of the Lindenhurst Woman's Club, sponsors of the troop, and Mrs. Edward Bernau, Lindenhurst correspondent.

Mrs. Sokup is losing her co-leader, Mrs. Myslinski, and assistant, Mrs. Robert Hendrickson. She is also dropping out of scouting, herself. Anyone who is interested in Girl Scouts, should call Mrs. Sokup. (The ladies are not quitting because of the girls. They are a fine

group of young ladies, but the leaders have jobs and home interests, that should come first.)

Christened

Christine Mary, daughter of Mr. and Mrs. Donald Wismer, was baptized a week ago at Prince of Peace Church. Mr. and Mrs. Frank Tessler, neighbors, were the godparents.

Troop 212 Banquet

Junior Girl Scout Troop 212 of Vonstian Village held their annual Mother and Daughter banquet last Wednesday, with 17 girls, their mothers, three leaders and four guests present.

Adopt Baby

Heartiest congratulations are in order to Donald and Ruth Tuttle of 66 South Beck Road. After being married 10 years and childless, they have adopted a little boy, Donald Wayne, who will be three weeks old on May 28. He weighed 7 1/4 pounds and measured 21 inches when they brought him home from the Lake Bluff Orphanage a week ago.

Boy Scout News

Cub Scout Pack 84 will hold a Pack meeting Thursday evening, May 28, at 7:30 p.m. in the Hooper School auditorium. Boys who are interested in becoming scouts are invited to attend. Parents should attend, also.

The Pack wishes to thank everyone who donated clothes hangers to their recent drive. Their treasury is \$20 richer, thanks to you folks.

Garden Club Meeting

The Lindenhurst Garden Club will meet Monday, June 1, at 8 p.m. in the home of

Mrs. Gus Fabry 2126 E. Fairfield Rd. Guests are welcome to attend. Mrs. Fabry is the newly installed president.

Attend Tri-County Pistol League Banquet

Last Monday, Mrs. Fabry, Mary Labrillo, Roberta Hazel, Julia Pearson, Helen Skelton, Mary Shore, and Bernice Frontzak planted arborvitae, mugho pines and pflasters in front of the Lindenhurst Civic Center. Around the flag pole, they planted red and white petunia plants.

David Garner of East Briar Lane retitled and planted a section of grass seed before the ladies started. The ladies would appreciate it if children and grown-ups would keep off the grass and flowers.

THE ANTIOCH NEWS, THURSDAY, MAY 28, 1964

Attend Tri-County Pistol League Banquet

Saturday night, Mr. and Mrs. Ed Bernau attended the annual Tri-County Pistol and Revolver League Banquet at the Indian Village Country Club in Mundelein. The Mundelein Gun Club was host to the 18-team league.

Register

New residents of Lindenhurst may register to vote at the Village Hall whenever the clerk, Mrs. Charles Reihart, has office hours. Present hours are Monday and Wednesday mornings, 10 to 12 noon; Tuesday and Thursday evenings, 7 to 9 p.m., and Saturday afternoons 1 to 3.

THE STAMPEDE'S TO FORD!

Above, new Mustang Hardtop stops traffic!

The big Super Torque Ford started it. One look tells you why. While other cars just changed their chrome, Ford changed everything—and came up with the newest look in its field. With the 2-door hardtop in the lead, sales are so high we've had to double production at our Chicago plant! But that's just the beginning. Thunderbird has taken off

like a skyrocket in Chicago. Sales are up 68%. Falcon is selling almost as many cars as Valiant and Chevy 11 combined. Now that Mustang has been added to the stable—the switch to Ford is an all-out stampede! When you see something like this going on, doesn't it make sense to find what it's all about? See your Ford Dealer. He's the man with the answers.

Poppy Contest Winners

Jun Shore of 2314 E. Valley Drive, Lindenhurst, was the first prize winner in the Poppy Contest sponsored by the VFW of Lake Villa Memorial Post 4308. He will receive \$15.00. He is a seventh grade student at Prince of Peace School.

Catherine Rosol, sixth grade student, also of Prince of Peace, was named second place winner. She will receive \$10.00.

Janice Prehm, sixth grade student at Lake Villa Grade School, placed third. Her prize is \$5.00.

Honorable mention was given to Debra Mertes, Prince of Peace, and Denise Bruzos of Lake Villa School.

Winning posters are on display at Dalgard's Certified Grocery in Lake Villa.

There were 80 entries in the contest. All posters entered in the judging will be on display from now until Memorial Day at the Post Home on Grand Avenue.

Awards will be presented Memorial Day after the parade at the Post. All the people who turn out for the parade are invited to go back to the Post for lunch.

Boy Scouts Attend Scout-O-Rama

Fifteen members of Troop 84 attended the Scout-O-Rama of the Boy Scouts Northwest District at the County Fair Grounds Saturday.

They left Lindenhurst at 7 a.m., arriving there about 11 a.m. Hiking the 5.7 miles with the boys, was Jim Hartwig, committeeman.

Gary Hunt, Sr. Patrol leader said they set up their camp upon arrival and inspection was held soon after. Flags were presented to each troop and then the boys prepared their lunch. The patrols then went on walks and reported back what they saw. Ten boys passed on fire building, ten on second class cooking and five passed on first class cooking. The boys prepared spaghetti, chopped steak, cherry pie, fresh fruit salad, hamburger and even chicken. (What wonderful husbands they will make some day.)

Open house was held from 1 to 7 p.m. and 8,000 people stopped to see the 1,200 boys that put on the show. The

"Majority of One"

Stated For June

Margaret Tripp, producer of the current production of the Avon Players, reports that the set and backstage work is going along but a great deal is yet to be done.

"A Majority of One" by Leonard Spigelgass, is a comedy and yet is a sensitive and timely play, having the most elaborate staging as yet done by the Avon players.

The action begins in the Brooklyn apartment of Mrs. Jacoby and as the play unfolds we are transported to Japan aboard the Steamship S.S. Leonard Wood and are introduced to the household of Mr. Asano, the Japanese gentleman. Then back to Brooklyn.

Our performers come from several communities. Betty McKay of Grayslake, David Tripp of Round Lake, Deana Deschryver of Wildwood, Ken Smith of Waukegan, Virginia Lind, Helen and Elsworth Schmidt of Round Lake, Fran and Roger Im-sande, and Clarice Weir of Highland Lake, Jim Meyer of Grunice and Charles Christensen, Alice Percy, Billie Kohl, Maureen Seurto, students of Round Lake Community High School.

"A Majority of One" will be presented by the Avon Players on Friday and Saturday, June 12 and 13 and also Saturday, June 20 at Avon Auditorium, Route 83, just three miles north of Grayslake. Curtain time is 8:30 p.m.

Ron Lind, producer, director and owner of Mr. L's Carousal Theatre of Waukegan, is director.

Order of the Arrow put on an Indian Dance three times during the afternoon. Ralph Schwartz, assistant scout master of Troop 84, was in the dance.

Bob Speigl, Willis Racht and Gary Hunt planned the trip. The troop slept in tents Saturday night and Hartwig, Racht and Ray Stieckler stayed with them. At 6:30 Sunday morning they broke camp and were on their way home by 8 o'clock with Paul Hunt, Stieckler and Hartwig driving them.

Village Treasurer's Annual Report

State of Illinois
County of Lake

Office of Treasurer
Antioch, Illinois

The following is a statement by Marjorie H. Hunter, in the County and State aforesaid, of the amount of public funds received and disbursed by her during the fiscal year ending on the 30th day of April A.D. 1964, showing the amount of public funds on hand at the commencement of said fiscal year; the amount of public funds received; and from what sources received; the amount of public funds expended; and for what purposes expended, during said fiscal year ending as aforesaid.

The said Marjorie H. Hunter, being duly sworn, doth depose and say, that the following statement by her subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated; the amount of public funds received; and the sources from which received; and the amount expended; and the purposes for which expended, as set forth in said statement.

Subscribed and Sworn to before me, this 19th day of May, 1964.

"When I install electric heat I guarantee low operating cost"

Harold Hensley, President of Hensley Electric Company, Chicago Heights

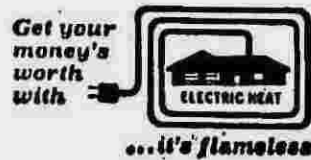

Harold Hensley's company has made more than 600 electric heat installations since 1958—and right now, Mr. Hensley is installing electric heat in another 628 homes under construction!

"Electric heat has really come of age," he says—and he backs up his conviction by offering to guarantee the monthly heating cost on every one of these homes.

Today, by helping supervise construction from the outset, Public Service Company applies vast experience to the solution of each new building problem. Moreover, electric heat is now a better buy than ever, because electric heat rates today are 50% lower than they were in 1958!

Electric heat is clean, safe, the most comfortable heat by far. Separate thermostats let you control the temperature room by room, in every room—for Mom in the kitchen, Dad in his shower, Baby playing on the floor. And because electric heat burns no fuel, there's nothing to create dirt, dust, and fumes. Walls, ceilings, curtains, and furniture stay clean longer. There's little or no maintenance.

If you'd like more information about electric heat—the only really modern heat—please call your nearest Public Service Company office.

CARD OF THANKS

Wish to thank all our friends and neighbors for their many acts of kindness and sympathy in our hour of sorrow.

Mrs. John Brogan and Family

I would appreciate it if the person who picked up my wallet in Art's Paint Store last Wednesday would please return my driver's license and my Social Security card plus all my other cards. I don't care if you keep the money but please return the rest. Thank you.

WILL HISTORY REPEAT HERE?

The average age of the world's great civilizations has been 200 years. These nations progressed through this sequence:

From Bondage to spiritual faith
From spiritual faith to great courage
From courage to liberty
From liberty to abundance
From abundance to selfishness
From selfishness to complacency
From complacency to apathy
From apathy to dependency
From dependency back again to Bondage.

In sixteen years our United States will be 200 years old. This cycle is not inevitable—it depends on YOU!—Reprinted from Manage Magazine, January, 1961.

This week's Christian Science program

"ANOTHER CHANCE"
Here is a program that emphasizes that everyone can make a fresh start in life by yielding to the transforming power of the Christ the power of God's love; the truth of men's sorship.

Old Hand & Newcomer Have Roles in Original Musical

Betty Beveroth, a talented newcomer to Antioch, will play the part of a talkative cosmetician in Mac Ryan's new musical, "Nothing Ever Happens in This Town."

Betty is a graduate of Bradley University with a Bachelor of Music education, and studied voice for nine years under Dr. John Davis. Betty has appeared as soprano soloist with Bradley U. Choral, church soloist in the choir at St. Paul's Episcopal Church of Peoria and several musical productions.

Betty currently sings with the choir in the Antioch Methodist Church.

Bob Lindblad, who played "Mr. Sherwood" in the recent P.M.E.L. production of "My Sister Eileen", will soon become "Mort" in Mac Ryan's "Nothing Ever Happens in This Town."

Bob was one of the Original Lakeland Players, a group which brought many a pleasant evening's entertainment to Antioch and vicinity several years ago.

Some of the productions he has appeared in were "You Can't Take It With You," "Nothing but the Truth," "On the Bridge at Midnight," "The Whole Town's Talking."

The production of "Nothing Ever Happens in This Town" will be June 19, 20, 26 and 27, at the Palette, Masque & Lyre Theater in Antioch.

THE ANTIOCH NEWS 11
THURSDAY, MAY 28, 1964

"Dear Ruth," and many others.

After 12 years of "retirement," Bob has once again donned the grease paint to step before the foot lights, this time to become the Broadway agent after his 10%.

The production of "Nothing Ever Happens in This Town" will be June 19, 20, 26 and 27, at the Palette, Masque & Lyre Theater in Antioch.

Issue New Building Code For Schools

THE ANTIOCH NEWS
THURSDAY, JUNE 16, 1964

Ray Page, State Superintendent of Public Instruction, announced today that a new building code covering both new construction and the revision and renovation of existing Illinois school buildings has been completed. The code will become effective on June 14. It represents minimum standards for new construction and existing buildings for the life safety of the pupils at a minimum cost to the district. They apply to all school districts except the City of Chicago which is covered by Article 34 of the Illinois School Code.

50-Lap Race Rained Out, Re-Scheduled

Waukegan Speedway's June Championship 50-lap race, cancelled by rain last week, is set for this Sunday night, June 21. More than 100 modified and Sportsman cars are expected to participate and double points toward the season championship will be awarded, according to Gordon Sill, promoter.

In addition, Sill announced, Saturday night racing will commence on June 27 with Late Model Sportsman cars, demolition derbies and many added events for the Saturday night cards.

On Saturday, July 4th, a 50-car Demolition Derby is scheduled and all Demo drivers from Southern Wisconsin and Northern Illinois are invited to participate. Sill suggested the drivers sign up early since the field is limited to the first 50 cars. Wednesday night racing has been discontinued, he pointed out.

Top names such as Johnny Reimer, 1963 champion; Gordon Gorman, Bill Shoulters, Don Sorce, Gino Wagner, Dennis Burgan, "Jr." Dodd, Bill Moore, Fran Seamans, George Uttech, Bill Bohn, Jim Lawrence, Bay Darnell and a host of others have been signed for the 50-lapper on Sunday. The June championship may go a long way toward determining the season crown. At present Johnny Reimer is leading in points.

Entries are still coming in for the Speedway Beauty Contest. Girls, 18 years and over, single or married are eligible. A photo and 50-word letter are all that is required for entry.

Drag Racing Saturday Night

Saturday racing has been permanently added to the regular weekly schedule at the Great Lakes Dragway, Union Grove, Wis. There will be an entire separate event each day with competition open to all classes and divisions.

Featured will be the powerful nitro fuel and gas dragsters with sports cars, motorcycles, factory experimental and standard stock cars rounding out each program. Saturday's races will all be evening events starting at 8 p.m. Sunday racing time will remain at 2 p.m. Time trials start 4 hours prior to race time both days.

The dragstrip is located 12 miles north of the Illinois-Wisconsin state line on Hwy. 45, at Union Grove.

Sullivan Storms To Record Win At Wilmot Track

Jim Sullivan of Antioch not only made it two feature wins in a row but set a new track record as he stayed just inches ahead of Bill Strom of Milwaukee in winning the 25 lap feature race at the Kenosha County Speedway in Wilmot Saturday night.

Sullivan had started inside on the third row in the feature. Jr. Dodd of Waukegan and Jack Radtke were in the first row. Dodd took the lead and held for six laps and then anxious Radtke hit the corner too hard trying to pass and put himself and Dodd into the infield. Both cars were later able to continue.

Bay Darnell of Deerfield had engine trouble and went out of the race on the second lap. In the back, Rodger Otto and Steve Stevens, fastest qualifiers, were coming thru traffic and headed for the front. As traffic got heavy, Ron Larson lost a wheel that hit hard against the concrete wall and then bounced into the infield. Bill Strom and Bill Bohn were now battling in the second spot behind Sullivan. Finally Strom got by and was able to pull even but never around the "Flying Streamer" from Antioch. The race ended with a real close

call in Sullivan's favor; Strom second; Bohn third; Fran Seamans fourth; and Rodger Otto fifth.

Sullivan's winning record time was 7:48.20 for an average of 53.47 mph. The old record was held by Eddie Stillman at an average of 53.11 mph.

Ten lap heats were won by Bill Kelly of Wheeling, who made his first start at the Kenosha track. Jim Bozeman of Waukegan, Dick Vanderspool and Bill Strom. The semi feature was taken by Terry Vaughn of Milwaukee as he outdistanced the large 22 car starting field. He moved up from 18th starting position for the win.

Spectator Champion Dick Aisen of McHenry was again blanked from a win but scored two seconds as he fought in the feature and his heat. The winners were: Gill Rien of Woodstock and Wild Bill Owens of Antioch in the heats and Harold Gutche of Kenosha in the feature.

HAPPINESS

"Happiness makes up in height for what it lacks in length." — Brookfield Enterprise.

WILLIAM NORRIS of Antioch Mills caught this 7-pound, 30 1/2 inch Northern in Lake Antioch.

Xmas Parade In July At Fox Lake

FOX LAKE, Ill.—Despite old sayings to the contrary, Christmas does come more than once a year—at least in the Chain O' Lakes area.

Pleasure boats will be decked out in Christmas (that's right, Christmas) trimmings Saturday afternoon as Illinois boaters parade down the Chain O' Lakes in a contest to determine who has the most attractive and original decorations in a yuletide theme. The contest is the highlight of the area's week-end celebration, "Christmas Time in June."

Parade marshal is Ray Novotny of Fox Lake, commodore of the sponsoring Foxview Yacht Club.

He said the parade is open to any boat decorated in the appropriate festive regalia. Parade time is 1 p.m. and contestants will review at the following locations: Schwalder's Point Comfort; Murphy's Point Comfort; Korpan's Landing; and the Waltonian Hotel and "Mincola" Hotel piers. If no docking space is available, boaters should assemble in the Fox Lake in view of the Waltonian Hotel, which is the starting point for the parade.

Participants should check in with Novotny to learn their positions in the parade. Paraders will proceed from Fox Lake, to Pistakee Lake, then down the Fox River to Snug Harbor. Judges will be secretly stationed along the parade route. First prize is a 3.9 hp Merc 39 fishing motor; second prize is a case of outboard motor oil.

When it's raining it's easier for a pedestrian to see an approaching car than it is for the driver of that car to see the pedestrian. During a rainstorm it's most important that pedestrians do not obscure their own vision or visibility with umbrellas.

Ruth league games played during this period follows:

Indians 12 — Twins 8
Colts 4 — Tigers 3
Mets 11 — Colts 2
Mets 7 — Indians 6

Lake Villa Little League Games

By Mrs. Bernice Bernau
Lake Villa Township Little League Games

In games played during the period June 1 through 7, the league leading Little League Cubs maintained their one game advantage over the second place Yanks and Giants by defeating the Dodgers 17 to 5. Gordon Persha of the Dodgers came up with the big blow of the game, a homer, with two men on.

The Yanks and Giants also won their games to keep pace with the Cubs and remain in second place.

In the best played game of the week, the Dodgers defeated the Braves by the score of 2 to 1. The Dodgers collected 5 hits, the Braves 4. Scores of all Little League games played during this period follows:

Cubs 17 — Dodgers 5
Giants 13 — Braves 8
Yanks 5 — Sox 0
Dodgers 2 — Braves 1
Pirates 7 — Angels 2.

In a Babe Ruth league game the Indians held a firm lead over the league leading Mets, until the last two innings, when the Mets scored six runs, defeating the Indians, 7 to 6 to retain the Babe Ruth league leadership. In another close game the Colts defeated the Tigers 4 to 3. Scores of all Babe

Eddie Doucette
IGA CHEF says...

It's Picnic 'n' Barbecue Time!

It's that time of year when whole or cut-up chicken served hot or cold is enjoyed by everyone. TableRite ground beef (charcoal broiled to order), TableRite tasty franks, and delicious TableRite sliced luncheon meats are sure crowd pleasers too. To add to the party spirit, serve cheese and hard cooked eggs, hot buttered corn-on-the-cob, sliced tomatoes, pickles, olives, plus chilled watermelon and bananas. To complete the picture, why not offer a variety of breads, rolls, IGA Iced Tea, frozen lemonade, and ice cream? ... And don't forget the napkins and IGA insecticide bug killers for pleasure insurance ... Shop IGA for all your picnic needs!

Issue New Building Code For Schools

THE ANTIOCH NEWS THURSDAY, JUNE 16, 1964

Ray Page, State Superintendent of Public Instruction, announced today that a new building code covering both new construction and the revision and renovation of existing Illinois school buildings has been completed. The code will become effective on June 14. It represents minimum standards for new construction and existing buildings for the life safety of the pupils at a minimum cost to the district. They apply to all school districts except the City of Chicago which is covered by Article 34 of the Illinois School Code.

50-Lap Race Rained Out, Re-Scheduled

Waukegan Speedway's June Championship 50-lap race, cancelled by rain last week, is set for this Sunday night, June 21. More than 100 modified and Sportsman cars are expected to participate and double points toward the season championship will be awarded, according to Gordon Sill, promoter.

In addition, Sill announced, Saturday night racing will commence on June 27 with Late Model Sportsman cars, demolition derbies and many added events for the Saturday night cards.

On Saturday, July 4th, a 50-car Demolition Derby is scheduled and all Demo drivers from Southern Wisconsin and Northern Illinois are invited to participate. Sill suggested the drivers sign up early since the field is limited to the first 50 cars. Wednesday night racing has been discontinued, he pointed out.

Top names such as Johnny Reimer, 1963 champion; Gordon Gorman, Bill Shoulters, Don Sorce, Glen Wagner, Dennis Burgan, Jr., Dodd, Bill Moore, Fran Seamers, George Uttech, Bill Bohn, Jim Lawrence, Ray Darnell and a host of others have been signed for the 50-lapper on Sunday. The June championship may go a long way toward determining the season crown. At present Johnny Reimer is leading in points.

Entries are still coming in for the Speedway Beauty Contest. Girls, 18 years and over, single or married are eligible. A photo and 50-word letter are all that is required for entry.

Drag Racing Saturday Night

Saturday racing has been permanently added to the regular weekly schedule at the Great Lakes Dragway, Union Grove, Wis. There will be an entire separate event each day with competition open to all classes and divisions.

Featured will be the powerful nitro fuel and gas dragsters with sports cars, motor cycles, factory experimental and standard stock cars rounding out each program. Saturday's races will all be evening events starting at 8 p.m., Sunday racing time will remain at 2 p.m. Time trials start 4 hours prior to race time both days.

The dragstrip is located 12 miles north of the Illinois-Wisconsin state line on Hwy. 45, at Union Grove.

Sullivan Storms To Record Win At Wilmot Track

Jim Sullivan of Antioch not only made it two feature wins in a row but set a new track record as he stayed just inches ahead of Bill Strom of Milwaukee in winning the 25 lap feature race at the Kenosha County Speedway in Wilmot Saturday night.

Sullivan had started inside on the third row in the feature. Jr. Dodd of Waukegan and Jack Radtke were in the first row. Dodd took the lead and held for six laps and then anxious Radtke hit the corner too hard trying to pass and put himself and Dodd into the infield. Both cars were later able to continue.

Bay Darnell of Deerfield had engine trouble and went out of the race on the second lap. In the back, Rodger Otto and Steve Stevens, fastest qualifiers, were coming thru traffic and headed for the front. As traffic got heavy, Ron Larson lost a wheel that hit hard against the concrete wall and then bounced into the infield. Bill Strom and Bill Bohn were now battling in the second spot behind Sullivan. Finally Strom got by and was able to pull even but never around the "Flying Streamer" from Antioch. The race ended with a real close

call in Sullivan's favor; Strom second; Bohn third; Fran Seamers fourth; and Rodger Otto fifth.

Sullivan's winning record time was 7:48.20 for an average of 53.47 mph. The old record was held by Eddie Stillman at an average of 53.11 mph.

Ten lap heats were won by Bill Kelly of Wheeling, who made his first start at the Kenosha track. Jim Bozeman of Waukegan, Dick Vanderspool and Bill Strom. The semi feature was taken by Terry Vaughn of Milwaukee as he outdistanced the large 22 car starting field. He moved up from 18th starting position for the win.

Spectator Champion Dick Aisen of McHenry was again blanked from a win but scored two seconds as he fought in the feature and his heat. The winners were Gillen of Woodstock and Wild Bill Owens of Antioch in the heats and Harold Gutche of Kenosha in the feature.

HAPPINESS

"Happiness makes up in height for what it lacks in length." — Brookfield Enterprise.

WILLIAM NORRIS of Antioch Hills caught this 7-pound, 30 1/2 inch Northern in Lake Antioch.

Xmas Parade In July At Fox Lake

FOX LAKE, Ill.—Despite old sayings to the contrary, Christmas does come more than once a year—at least in the Chain O' Lakes area.

Pleasure boats will be decked out in Christmas (that's right, Christmas) trimmings Saturday afternoon as Illinois boaters parade down the Chain O' Lakes in a contest to determine who has the most attractive and original decorations in a yuletide theme. The contest is the highlight of the area's week-end celebration, "Christmas Time in June."

Parade marshal is Ray Novotny of Fox Lake, commander of the sponsoring Foxview Yacht Club.

He said the parade is open to any boat decorated in the appropriate festive regalia. Parade time is 1 p.m. and contestants will review at the following locations: Schwalter's Point Comfort, Murphy's Point Comfort, Korpan's Landing, and the Waltonian Hotel and Lincoln Hotel piers. If no docking space is available, boaters should assemble in the Fox Lake in view of the Waltonian Hotel, which is the starting point for the parade.

Participants should check in with Novotny to learn their positions in the parade. Paraders will proceed from Fox Lake, to Pistakee Lake, then down the Fox River to Snug Harbor. Judges will be secretly stationed along the parade route. First prize is a 3.0 hp Merc 39 fishing motor; second prize is a case of outboard motor oil.

When it's raining it's easier for a pedestrian to see an approaching car than it is for the driver of that car to see the pedestrian. During a rainstorm it's most important that pedestrians do not obscure their own vision or visibility with umbrellas.

Ruth league games played during this period follows:

Cubs 17 — Dodgers 5
Giants 13 — Braves 8
Yanks 5 — Sox 0
Dodgers 2 — Braves 1
Pirates 7 — Angels 2

In a Babe Ruth league game the Indians held a firm lead over the league leading Mets, until the last two innings, when the Mets scored six runs, defeating the Indians, 7 to 6 to retain the Babe Ruth league leadership. In another close game the Colts defeated the Tigers 4 to 3. Scores of all Babe

Indians 12 — Twins 8
Colts 4 — Tigers 3
Mets 11 — Colts 2
Mets 7 — Indians 6

Channel Lake News

By Louise Gutowski
395-1317

Mrs. Marge Boltzel of Shannon Ave., caught a 3 1/2-pound large mouth bass last week while fishing in front of her home. Mrs. Boltzel was using a spinner and is very proud of her catch.

Word was received by friend of the recent death of Mr. Edwin L. Preston, summer resident of Woodbine Ave., Bluffs Subd. Mr. Preston was the father of former resident Mrs. Thomas (Lynn) Atwood, who now lives in Detroit, Mich., a daughter, Mrs. Pat Molo, and a son, Edwin, Jr. The Prestons have spent their summers at Channel Lake for many years.

The Community Club will

sponsor a hayride-box social on Saturday, June 27. Persons interested in attending this event are to meet at the Channel Lake school at 8:30 p.m. After the ride the box lunches will be auctioned to the highest bidder and the winner will have lunch with the fair lady who prepared it. Ladies, when preparing your lunch for the box social, decorate the box without your date seeing it. This will make the auction more interesting. Be sure to mark this date down on your calendar and invite your friends.

Millburn News

By Mrs. Frank Edwards
EL 6-5795

Regular services at Millburn Congregational Church Sunday, June 21: Sunday

School and Church at 10 a.m. There will be regular Sunday School classes the first three Sundays in June. Bible School will be in session five days, June 22 through 26. Classes will begin promptly at 9 a.m. and close at 11:30. Offering will be taken on Friday morning. Classes will be provided for children 4 years and up, including children completing 6th grade in the spring. Promotion Sunday will be held at Millburn Church June 28, Sunday. There will be no Sunday School during the months of July and August. The Devotional Study Group met Thursday at the home of Mrs. Edwin Denman. The next meeting will be June 25 at the home of Mrs. Garrett Trout. Rev. and Mrs. L. H. Messersmith and Mrs. Raymond Jensen attended the first

annual meeting of the Illinois Conference of United Church of Christ at the Illinois State Normal University June 8-11. Mrs. Harley Clark and Mrs. Clayton Engh and family of Gurnee spent Sunday afternoon at the Theodore Engh home at Wind Lake, Wis.

Mr. and Mrs. William Paulsen attended the graduation exercises of Miss Margaret Paulsen from the Evanston School of Nursing, Evanston, Saturday.

The Millburn Social Club met at the church Tuesday evening with a potluck dinner at 7 p.m. Mrs. Floyd Stephens and Mr. and Mrs. Homer White were hosts.

Mr. and Mrs. John Clem of Urbana were weekend guests at the William Paulsen home, and also attended Margaret Paulsen's graduation exercises.

THE ANTIOCH NEWS

THURSDAY, JUNE 10, 1964

es at Evanston Saturday. Mr. and Mrs. Jake Nauta and Mr. and Mrs. Orville Hattrell and sons of Waukegan were callers at the Frank Hattrell home Sunday afternoon.

Mrs. James Bonner and children of Kansasville, Wis., spent Friday evening with Mrs. Harley Clark.

Guests at the William Paulsen home on Sunday were Dr. and Mrs. Bruce Taylor and Charles and Betsy of Evanston and Mr. and Mrs. John Clem of Urbana.

Always dim your headlights when approaching or following another car. This is common courtesy and safe driving practice.

Farewell Party for Mother Mary Chantal

Mother Mary Chantal, Superior, at Prince of Peace School, was guest of honor at a surprise party Friday evening at the Lindenhurst Civic Center. Donald DiSilvestro presented her with seven white roses, one for every year she taught at Prince of Peace School. She is being sent back to the Mother House in Columbus, Ohio.

Father Lynch presented Mother Mary Chantal with a beautiful photo album, with pictures taken since the day ground was broken to build the school, the day she arrived with the other Sisters, pictures of them in their rooms, on boat rides, pictures of her seven classes, and of each of her First Communion classes.

Debra Cirullo presented her with a book compiled of letters from each child in the school, and a picture of each one pasted on the letter.

From her many friends in the parish, Mother Mary Chantal received a money tree.

Mrs. Dominic DiSilvestro

Would You Buy A Home In 3 Parts?

It wouldn't make sense, of course, any more than buying home insurance in three different parts makes sense nowadays.

It's much easier—and more sensible today to combine fire, theft, and personal liability coverages into one, economical package—the Hartford HOMEOWNERS policy. Call us today for details on this convenient, low cost plan.

was chairman of the affair and had the help of several ladies in bringing cakes, cookies and pies and serving coffee to the more than 300 persons who attended.

Visits New York

Mrs. Jenny Volpentesta and Anne Mandl of Chicago, flew to New York, where they spent two weeks, visiting the World's Fair two weeks, going on bus tours, etc.

Grandmother's Club

Last Wednesday the Lindenhurst Grandmothers Club had dinner at the 19th Hole.

St. Mark Lutheran Church

New families will be welcomed into the congregation next Sunday, June 21, at the 8:00 and 10:30 Worship Service time. Coffee will be served following the 10:30 service.

More than 70 children are enrolled in the Vacation Bible School session. Sessions are from 9:00 until 12 noon.

There will be no choir rehearsals during the summer months.

Flowers for the altar were provided by Mr. and Mrs. Edmund Johnson in recognition of their 18th wedding anniversary.

Lori Ann Nelson, infant daughter of Mr. and Mrs. Arthur A. Nelson, was baptized Sunday morning during Worship Services. The Nelsons are joining the congregation next Sunday.

Prince of Peace Church

The CYO Club will receive Holy Communion next Sunday at the 8 o'clock mass.

The annual rummage sale will be held in the school building on Friday, June 19, and Saturday, June 20. Hours on Friday are from 10 a.m. until 9 p.m. and on Saturday, 9 a.m. until 4 p.m.

There will also be a bake sale on Friday, with bread, cake, cookies and pies. Ladies of the parish are reminded to bake for the sale.

Cadettes Earn Challenge

Cadette Girl Scouts of Troops 211 and 173, worked to earn a Challenge, when they planned a program and prepared all the food and refreshments for the Lindenhurst Women's Club Mother and Daughter Night last Thursday.

Making fancy sandwiches and petit fours, with the help of Mrs. Babe Hartwig, were Kathy Hartwig, Pamela Ponter, Ruthie Ireland, Suzanne Lazansky, Barbara Rucholdt, Paula Jedrejewski, Connie Rozga and Linda Myslinski. Helping the girls, was Beatrice Gange, a Junior. The girls are all 7th, 8th and 9th graders. Earning a Challenge is part of the new Girl

Scout program. They should earn four Challenges in three years, to be well prepared, and able to meet them, to be First Class. They do their own evaluation with their leaders. Mrs. Betty Wells, Mrs. Mickey Jedrejewski and assistant, Mrs. Gladys Kilster.

They will work for Cadette Scout badges for knowledge and skills in these six areas: arts, citizenship, health and safety, home, international friendship and out of doors.

A skit was presented by Ruthie Ireland, Kathy Hartwig, and Pam Ponter.

Millie Caldwell and Mickey Shepler will welcome new residents, in the name of the Women's Club, during the month of July.

June birthday ladies were Pat Gange, Bridle Gibbons, Eileen Pierce, and Rae Gibbons.

The Venetian Village Women's Auxiliary has invited the Women's Club to join them at a get-together, June 30 at the Venetian Village Civic Hall, in order that the ladies may become better acquainted.

Lake Villa Township Little League

In Little League play this week, an outstanding game was played between the Giants and Dodgers. Alan Stelter of the Giants, pitched another no-hitter, defeating the Dodgers, 1-0. His opposing pitcher, John Meyer, pitched a one-hit game. The Giants obtained their run by a walk, and the only hit of the game.

In another game between the Angels and the Braves, the defensive player, Tim Mleure, was the deciding factor in the Angels' 9 to 8 victory.

Scores for the past week: Cubs 12, Sox 6; Pirates 6, Yanks 5; Angels 9, Braves 8; Giants 1, Dodgers 0.

Games scheduled during the period June-18 through June 25 are as follows:

- June 18, Pirates vs. Braves 19-20-21—open
- 22—Angels vs. Giants
- 23—Pirates vs. Cubs
- 24—Sox vs. Dodgers
- 25—Yanks vs. Braves
- Babe Ruth League games scheduled during this period are as follows:
- June 18 through 21—Open
- 22—Mets vs. Tigers
- 23—Cards vs. Twins
- 24—Indians vs. Colts
- 25—Tigers vs. Twins

Condolences

Sympathy is expressed to the Milton Lazansky family of 111 N. Hawthorne Drive, on the death of Milton's

father, Emo J. Lazansky, of Bristol, Wis.

He leaves his wife, Cary, and another son, Jerry; also six grandchildren. Services were held Friday, June 12, at Svec & Sons Funeral Home, 6227 W. Cermak Rd. Cremation Bohemian National.

Mr. Lazansky was well known in Lindenhurst. He made several lawn decorations for the Lindenhurst Days last year.

Anniversaries

Several of our neighbors have had anniversaries the past week, and more will be observing them in the next. May I extend congratulations to the Carmen Lavalles, the Gus Fabreys, on their 26th, the George Gaets on their 34th, the Tony Dragos on their 23rd, the Henry Maxwells on their 26th, the Floyd Stanleys on their 17th, the Robert Rileys on their 19th, the Frank Simcecks on their 22nd, the Claude Andersons on their 7th, the Gene Blaggis on their 22nd, and the Bob Smiths on their 10th.

Birthdays

Birthday greetings to Lois Flanagan, Chucky Kieffner, Ed Bernau, Julie Jean White, Helen Wright, Thor Neumann, June Simceck, George Lance, Glenn Flanagan, John Kasperski, Jr., Ronnie Coles, Paul Hunt, Lorraine Grant, Caroline Riedeman and Francine Henry.

Visitor from Czechoslovakia

Dr. J. Laurich's mother, Mrs. Anna Laurich, arrived here May 15 for a visit, from Czechoslovakia. She didn't speak any English when she arrived, but she is rapidly picking up words like "Good morning," "O.K.," etc.

Son Visiting

Father Anthony Repas, son of Mr. and Mrs. Anthony Repas of 2101 E. Old Elm Road, has been visiting his parents for the past three weeks. He is going back to Falls Church, Va. this Saturday, where he is assistant pastor at St. Anthony's Church. Father Repas, member of the Precious Blood Order, was ordained three years ago, on June 10. He is the brother of Judy Cook.

Car Wash

The Prince of Peace will sponsor a car wash Saturday, June 20, on the school grounds, Routes 132 and 83, from 9 a.m. until 5 p.m. Donation is 75c. In case of rain, Saturday, it will be postponed to June 27.

Beach collection

Fifteen boys and four men covered Lindenhurst Saturday collecting money for the up-keep of Millmore Beach. Final tabulation amounted to \$123.31. Driving the boys around were Claude Anderson, Otto Anderson, Ray Shepler and Al Swanson. The boys will be treated to 10 cases of Pepsi for their picnic coming up next week, given by the Lindenhurst Men's Club. Anyone who would like to contribute to the beach fund, may contact Claude Anderson, and the money will be forwarded.

A pessimistic fellow read his horoscope which said, "Make new friends and see what happens." He went out and made three new friends, and nothing happened. Now he complains he's stuck with three new friends.

2nd Week-End Of Avon Show Coming Up

Last Friday and Saturday evening, the Avon Players presented "A Majority of One" at the Avon Auditorium. They will repeat it this Saturday evening, June 20.

At times Betty McKay's performance as Mrs. Jacoby brought tears to many eyes as well as numerous laughs. Every man would feel for Jerry Black, played by Ken Smith, as he sat by and heard Mrs. Jacoby, his mother-in-law, poke an ear into his affairs when he was not in a position to say anything about it. His wordless reactions said more than any words could.

The heated argument between Alice, played by Deano DeSchryver and her husband, Jerry strikes home to many married couples, for who has not been told, "You're just like your mother." The difference of course is that it is funny to watch this happen to someone else.

The Japanese scene is beautiful and authentic with the girls in silk kimonos and obis. Mr. Asano, played by David Tripp, Sr., comes across very well as a man torn between the ways of the East and the West.

There was some difficulty with the off stage voices which at times were not too clear but all in all a very

Sell 'Treasures' To Provide Outing For Needy Children

Treasures from homes of the Lake Geneva area residents will be sold to the public Tuesday and Wednesday, (June 23 and 24) in Horticultural Hall under the

good show, well worth seeing. Curtain time is 8:30 p.m. at Avon Auditorium, Route 83, 3 miles north of Grayslake.

THE ANTIOCH NEWS

THURSDAY, JUNE 18, 1964

sponsorship of the Lake Geneva Fresh Air Association. Mrs. Melford E. Zinner, general chairman, said that the proceeds from the annual rummage sale for Holiday Home would be used to help give 240 needy Chicago children a summer vacation.

Burner with a Brain ends boil-overs

Look again... and you'll buy Gas

Mrs. John J. Jeschke, Melrose Park, Ill.—"The car is good for shopping. I like the white. My husband liked the safety features of this car. We say that Ford is designed to be a safer car. As a woman, I like the fact that my family is safe in our Ford. Besides, there's plenty of room inside."

Miss Patricia Donagan, Chicago, Ill.—"Before I bought my Falcon I looked at other cars in its price class. They just couldn't compare. The only car that came close to Falcon cost much more money. It is so much better than my Valiant."

Mrs. Edward Sobczak, Chicago, Ill.—"Really pleased with performance of the car. Very smooth ride. My husband likes the shift on the floor. It is a beautiful car. We looked at lots of others, but liked the Ford best."

Mrs. Jack McNulty, Chicago, Ill.—"Our new Ford is so easy to handle and drive. Much easier than our Chevy was. My husband and I enjoy driving it very much. Gas mileage is so much better than our Chevy's. I like the way Fords are built. Fords just seem stronger and safer. I like the Ford interiors. We think that Ford has the best styling of all the '64 cars."

Mr. Anthony Necinski, Chicago, Ill.—"There's no competition in styling on this car. Ford's really got it. The car is comfortable, quiet, rides like a sedan. The V-8 engine gives me good acceleration and economy. My wife liked the color and I like the finish. I also like the padded dash and sun visor. It's a great wagon. But then Ford's always been known for a great wagon."

Mrs. Donald Bednarz, Chicago Heights, Ill.—"We love it! My husband likes the way it handles and the gas mileage is great. It's comfortable to ride in and to drive. We both feel safer in the Mustang than in any other car we have ever had. The brakes are wonderful. I think it is beautiful. The styling is wonderful. The interior is comfortable and very attractive."

MEET THE STAMPEDE STARTERS FROM FORD!

Left to right: Falcon Sprint Hardtop, Mustang Hardtop, Fairlane 500 Sports Coupe, Ford Galaxie 500, XL Hardtop

Front runner... the big Super Torque Ford! Sales are so high—up 65% on hardtops alone—that we've had to double production in our Chicago plant to help meet the demand! Thunderbird has taken off straight up—sales are 67% higher than last year. Falcon sales are almost as great as Valiant and Chevy II combined. Now

that the hot new Mustang's here, the switch to Ford is an all-out stampede! Never has a new car been met with such enthusiasm—never has a new car sold so fast! There are always good reasons for a stampede like this. Stop by your Ford Dealer's—and find out why today! PRODUCTS OF FORD MOTOR COMPANY

The only cars that have changed as much as Chicago

Can't something be done about "pushy" sales calls?

We've heard complaints from customers about offensive telephone sales calls. We're trying to do something about them. If a rude or persistent salesman calls you, and doesn't stop talking after your polite refusal, simply hang up.

There is another side, however. Many good salesmen give you news of products and services, save you shopping time and help you get in on a bargain. And, many people who couldn't work at other jobs—shut-ins for instance—are able to support themselves by telephone selling.

The Real Problem
...is to convince businesses to use the phone without offending you. That's why we offer them free training. All they need to do is call their telephone company business office.

Send for Free Booklet

We also offer a free booklet: "Ten Pitfalls to Telephone Selling" (if you, or someone you know, would like a copy, just send the coupon below). Unfortunately, not all businesses take advantage of this free help, so, we repeat: if you get an offensive sales call, hang up.

ILLINOIS BELL TELEPHONE

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

GET THE MOST OUT OF SUMMER

Summer months offer many opportunities for fun and healthful living, but some outdoor attractions of the season can result in sickness and even death when precautions are ignored.

Summertime, for most of us, means more time spent in the outdoors. If done judiciously, exposure to the sun's rays—even for a limited period, causes a sunburn that will bring hours of discomfort. Excursions, automobile trips, golf, tennis, swimming, and just sitting outdoors in the sun are all activities that should be indulged in gradually, allowing one's skin or muscles to become "seasoned."

Swimming is one of the most pleasant of all outdoor sports, but injuries and death associated with swimming are numerous. Last year, scores of people lost their lives by drowning in Illinois. Dives into unknown waters may result in broken necks and other severe injuries. Over-exertion, while swimming, produces a fatigue and exhaustion that may end in drowning. Swimming in unsanitary waters may be responsible for infections.

The mosquito is a hazard of summer. Aside from its general nuisance value, a certain species of this little insect, called the Anopheles mosquito, transmits malaria, a disease characterized by chills and fever. By biting, the female mosquito deposits its germs so that they enter the red blood cells where they feed. When the red blood cells break down, the germs repeat the same process until the system is so invaded that chills and fever occur.

Typhoid and paratyphoid

fever is another hazard of summer. Caused by a germ called the typhoid bacillus, this infectious disease is usually associated with filthy conditions. Because the disease starts when the germ enters the victim's mouth, cleanliness is important to avoid this condition. Drinking contaminated water should be avoided and eating food prepared by a person who is unclean. Milk, particularly raw milk, is also a source of typhoid, especially when prepared under unhygienic conditions. The common house fly transmits typhoid through its filthy habits of living and breeding on unsanitary matters.

These are but a few of the hazards of summer. They can be avoided if care and wisdom are applied to outdoor activities.

Keep cool by keeping comfortable. Wear light and loose clothing; free circulation of the blood is essential to health. Because the skin accumulates dirt more rapidly in summer than in winter, frequent bathing is advisable.

Eat nothing that may be suspected of being spoiled. Watch your disposition. An angry frame of mind can cause the body heat to rise. Summertime can be playtime. Have fun, exercise and enjoy the outdoors. Moderation and a little common sense will keep you well and happy.

Teen Dems Urged To Join Campaign

Lake County teen-agers interested in the Democratic party and looking for fun while learning politics, are urged to join the Lake County Teen Dems, Gregg Taylor, chairman, says.

"The Democratic party needs your help to elect Lyndon Johnson and other well-qualified, Democratic candidates dedicated to the establishment of good government," Taylor said. "Lake County Teen Dem members helped to elect President Kennedy in 1960. As an official part of the Democratic party, Teen Dem members carry out campaign work and learn political techniques."

"Teenagers learn about the Democratic party, the issues, and have a chance to meet

candidates. Through Teen Dems, members learn good citizenship and responsibility, and can prepare themselves for positions of leadership in the community," declared Taylor.

Teenagers interested in joining Teen Dems should write: Lake County Dems, 808 Countryside Highway, Mundelein, Ill., or phone LO-east 6-0085.

Re-Elected President

Avery A. Vose, president of the Pure Milk Association, was unanimously re-elected June 9 to a second one-year term as president of the Milk Foundation, Inc.

The Foundation's annual membership meeting, held at the Mid-America Club, Chicago, also re-elected its president officers for another year.

Ford Offers College Data

Laurence A. Ryan & W. P. Lyons, Lyons & Ryan Ford Sales, 939 Main St., Antioch, said today copies of a 486-page book entitled "How to Prepare for College" are available free of charge at their dealership during June

and July.

"This giveaway is a highlight of a two-month Big Change sales promotion campaign we are calling 'Switch, Swap 'n' Save Days,' the dealers said. 'We're going all out to set new records during this period.'"

The book, written by Abraham Lass, a well known New York educator, features a comprehensive description of college requirements and a

compilation of available scholarships.

It contains a complete listing of colleges and universities in the United States, including the address of each registrar's office.

"The importance of a college education for our young people becomes more vital each day," the dealers said. "We are sure this accurate and thorough documentation about present-day college

education will prove significant reading to prospective college students, as well as their parents."

Our great grandmother had to haul the wash water from the well, but she didn't have to sit up nights figuring out how to meet the payments on the bucket.

FESTIVAL OF GAS PAVILION AT NEW YORK WORLD'S FAIR

Gas air conditioning makes your home as modern as the fair!

More than 80% of the air-conditioning requirements of all the buildings at the New York World's Fair are being met by natural gas. A gas central air conditioning system in your home can bring you the same cool comfort experienced by visitors to such pavilions as General Motors, Ford, Bell Systems, Travelers Insurance, Du Pont and many others. Gas air conditioning provides complete summer comfort throughout your entire house—with the lowest maintenance and operating cost of any air conditioning method.

For full information on gas air conditioning for your home, mail coupon at right. The Northern Illinois Gas Company offers you a free estimate of costs, guaranteed installation, free maintenance for five years, and easy payments for as long as five years.

VARICOSE VEINS

How tightly women wear
their girdles—or men their
garters—may be a strictly
personal matter, but physi-
cians often have a word of
advice on that score for a
patient who is a likely candi-
date for varicose veins.

Anything that hampers
proper blood circulation in
the legs can be counted
among the factors which
cause vein walls to lose their
firmness and bulge out in ir-
regular lumps seen under the
skin.

Other conditions which
contribute to the problem in-
clude—heredity, pregnancy,
injury, posture and occupa-
tions requiring long periods
of standing.

Though varicose veins are
frequently associated with
middle age—and afflict three
times as many women as men
—the condition can occur in
any age group.

Most affected are the su-
perficial veins of the leg—
lying between skin and mus-
cles. Deeper veins—sup-
ported by muscles—are less
susceptible to lose their elas-
ticity.

To understand why veins
dilate, or stretch, one must
know the function of the
veins. After the arteries
carry the blood from the heart
to the tissues, the veins
pick it up and return it to
the heart.

Normally the veins have
valves similar to the locks in
a canal that open to allow
the flow upward and then
close to prevent a backflow
of blood. When the veins
are afflicted with disease or
injury, the valves don't func-
tion properly and there is a
backflow of blood causing the
veins to be stretched beyond
their normal limits.

The blood blow back to the
heart from the legs is slowed
because of the accumulation
of blood in the smaller veins,
causing progressive dilation.

When varicose veins have
fully developed, many things
are apt to happen—discolor-
ation of the legs, eczemas of
the skin, and eventually ul-
cers. If inflammation occurs,
serious illness may result.

Even a slight bruise, which
ordinarily might cause no dis-
comfort, may develop into
a varicose ulcer which, if not
properly treated, may en-
large and involve all the lay-
ers of the leg structures,
even to the bone.

The first essential step in
the treatment of varicose
veins is a complete physical
examination by a physician.
This will establish or elimi-
nate factors causing mechan-
ical obstruction, such as pel-
vic tumor, chronic cough and
even tight girdles.

Many persons have one or
more conspicuous veins
which are not varicose, but
whose who have many en-
larged veins and tired aching
legs should see a physician.

The complaint of tired legs
is often associated with vari-
cose veins, although other
conditions, such as flatfoot,
heart, kidney, bone, artery
or nerve diseases are also
identified with this symptom.

for varicose veins include
bandaging, wearing of elastic
stockings, injections or sur-
gery. The use of any one of
these procedures, however, is
dependent on the severity of
the condition in the individ-
ual case, a decision that rests
with the physician.
